### "WASHED AWAY AT ST. LEON."

Had Sciatica and Rheumatism very bad for over a year; pains day and night; could not rest or sleep; often confined to bed. Tried everything I could find, but got no relief. Went to St. Leon Springs and got the disease **Washed Clean Away.** That was two years ago, and have never had a twitch of the trouble since.

### GRIP'S GALLERY OF NOTABLES.

HON. THOS. GREENWAY.

THIS burly gentleman is the leader of the Liberal party in Manitoba, and continues by grace of the popular vote just given to be Premier of the Provincial Government. Mr. Greenway is an Ontario man, one of the many who went West years ago to grow up with the country. He seems to have made a decided success of it, and the mark of increased confidence which has been placed upon his Government must be an agreeable compliment. The election turned almost wholly on the Separate school issue, the Government party standing for the abolition of any State aid to Separate schools, and the Opposition seeming to be shaky on the point. The emphatic majority makes it quite clear what the people of Manitoba think. There is promise of race and religious troubles, however, as the French Catholics regard Separate schools as a sacred birthright of theirs in the Western Province.
