FROM THE PRESS.

Mr. John Jackson, publisher of the *Catolical Advertiser*, writes: I know it to be all it is recommended; having used it in my family for six or seven years. Every mother and housekeeper must often act as a family physician in the numerous illnesses and accidents that occur among children and servants.—For many of these cases, Davis's Pain Killer is an indispensable article. In diarrhoea it has been used and effected cures. For cuts and bruises it is invaluable.—N. Y. Examiner. PERRY DAVIS'S PAIN KILLER.—This medicine has become an article of commerce—a thing no medicine ever became before. Pain Killer is as much an item in every bale of goods sent to country merchants, as Tea, Coffee, or Sugar. This fact speaks volumes in its favor.—Globe's Pills Magazine. DAVIS'S VIBRATOR PAIN KILLER.—Notwithstanding the many imitations of this article, and many other medicines in the market pretending to answer the same purpose, yet the sale of Perry Davis's Vegetable Pain Killer is more than the whole of them put together. It is one of the few articles that are just what they pretend to be. Try it.—Branford Telegraph.

DYSPEPSIA.

There is perhaps no disease which destroys the happiness and comfort of individuals, and families to the same extent as Dyspepsia or Indigestion. Previously to the discovery of the OXYGENATED BITTERS,

OXYGENATED BITTERS,

There existed no medicine accessible to those suffering from this wide spread disease, which relieved it in any marked degree. The power of these Bitters over the above named disease as well as over all those having their origin in imperfect digestion, and functional diseases of the stomach, as well as Asthma and General Debility is beyond all question. Its speedy and permanent cures of some of the severest and stubborn cases on record is sufficient confirmation of this fact.

OXYGENATED BITTERS IN CANADA.

The Editor of the Montreal Pilot, Sept. 2 1856 says:— There is no medicine we take so much pleasure in recommending to our friends as Dr. Green's Oxygenated Bitters. Unlike most proprietary medicines, it does not profess to cure "all the ills flesh is heir to," but simply Dyspepsia and its attendant symptoms of derangement of the stomach. It has long been held in favor with our best medical men; some of whom are never backward in awarding merit where it belongs. Its success in our city has given it a reputation surpassed by no other similar preparation. Our attention has been called to this subject by a young man in our office who had been suffering for some weeks severely from indigestion, loss of appetite &c. having been entirely relieved in a few days by the use of the Bitters; there are hundreds who will read this who need such a medicine, and would use it if they had the confidence in it we have.

None genuine unless signed I. BUTTS on the wrapper. Prepared by S. W. FOWLE & Co, Boston, and for sale by Lyman, Savage & Co., Carter, Kerry & Co.,
