THE board of managers of the Philadelphia and Reading railway, which met last Saturday, chose Joseph S. Harris as president to succeed Archibald Angus McLeod. The directors of the Philadelphia and Reading Coal and Iron company also met that day and elected Mr. Harris as president to succeed Mr. McLeod.

WE have received a copy, dated March 18th, of *The Voice of St. Lucia*, published at Castries on that island, which contains a tribute to the much enhanced value of the West India Canadian service. Says that journal: "It is a far call from the dirty old tank 'Loanda' to the well appointed boats of Donald Currie's 'Castle' line which now run the route monthly and with a regularity of time table which older and larger concerns might, with advantage to the public, imitate. Hence it is that, all through this winter, the steamers have been carrying tourists out of the busy, bleak winter into the sparkling but breeze-tempered sunshine of these restful islands—lotus oases of the ocean."
