

Minister of Industry,  
Science and Technology and  
Minister for International Trade

CANADA

Ministre de l'Industrie, des  
Sciences et de la Technologie et  
ministre du Commerce extérieur

want to begin by thanking Mr. Michael Wilson,

# Statement

representing the Canadian trade mission to Argentina which I am privileged to be part of and also to thank Mr. Wilson for his arrival here in Buenos Aires.

# Déclaration

We Italian explorers followed the same route from Canada to South America and Argentina in the early 19th century, crossing the Great Northwest Passage to the Pacific and then down the coast of South America by way of Peru to Argentina. As we look back over our past, it is good to see here in Argentina the striking similarities between Argentina and Canada.

Our populations are roughly the same size.

We share similar geography.

## NOTES FOR A TOAST BY

We tend to think on a broader scale than most other nations in scope.

**THE HONOURABLE MICHAEL WILSON,**

We both have an industrial base based on natural resources.

**MINISTER OF INDUSTRY, SCIENCE AND TECHNOLOGY AND**

We approach our foreign policy in a similar manner.

## MINISTER FOR INTERNATIONAL TRADE,

covering oil and gas, steel, auto parts, automobiles, chemicals, food products, pharmaceuticals, etc.

## TO A DINNER FOR THE TRADE MISSION

Our major exports are oil and gas, steel, auto parts, automobiles, chemicals, food products, pharmaceuticals, etc.

## TO ARGENTINA

We both export to Argentina, and our populations are approximately the same size.

We are major importers of oil and gas, steel, auto parts, automobiles, chemicals, food products, pharmaceuticals, etc.

Canada and Argentina are major producers of oil and gas, steel, auto parts, automobiles, chemicals, food products, pharmaceuticals, etc.

We are major importers of oil and gas, steel, auto parts, automobiles, chemicals, food products, pharmaceuticals, etc.
