[Text]

I might also mention, as you know, this committee is seized with a reference on the subject matter of Bill C-13, the RCMP Act. I have had further communications from the Attorney General on that matter. I would like to suggest that we may be able, at some point, to prepare some kind of a report. However, obviously we cannot do it now and we cannot even make a decision of that nature until we know whether Parliament is to be dissolved. However, we will keep it before us and I am prepared to deal with it on the basis of what we now have.

I thank you all very much.
The committee adjourns.
