

referred to the fact that he did not want to take part in this nauseating procedure. I would call attention to—

Mr. Deputy Speaker: Order. If the hon. member has a point of order, I would ask him to state it.

Mr. MacInnis (Cape Breton South): My point of order, Mr. Speaker, is that prior to the supper hour it was through the request of the hon. member, who said he did not want to take part in this nauseating procedure, that an arrangement was made by an order of the house that the house sit beyond the voting hour until nine o'clock in order to give the same hon. member an opportunity to take part in the debate. He now has stated he would not want to take part in it, and it was through his arrangements that the house sat until nine o'clock to listen to him—

Mr. Deputy Speaker: Order.

Mr. MacInnis (Cape Breton South): —at his own request.

Mr. Deputy Speaker: Order, please. It being nine o'clock, pursuant to a special order passed this day, it is my duty to interrupt the proceedings and put forthwith the question on any amendment before the house.

The house divided on the amendment (Mr. Fairweather) which was negatived on the following division:
