## MIRABEL AIRPORT

#### Ouestion No. 83-Mr. Cossitt:

What was the total amount of losses suffered by taxpayers for all aspects of the operation of Mirabel airport since it was opened until the date the answer to this question is prepared?

Mr. Robert Bockstael (Parliamentary Secretary to Minister of Transport): The total deficit for all aspects of the operation of Mirabel airport since it opened, November 29, 1975, to March 31, 1980, was \$192.6 million. This is the excess of operating and maintenance expenses (including interest and depreciation) over revenues. The deficit before providing for interest and depreciation was \$10.2 million. For the period April 1, 1980, through September 30, 1980, Mirabel will break even, before providing for depreciation expense of \$9 million.
