Dear Sir:-

I regret very much that I did not have an opportunity of meeting you when you passed through Montreal recently.

Dr. Porter asked me to give you a letter of introduction to the President of the University of British Columbia. I have today written President Klinck telling him of your visit to the coast and I am sure he will be only too glad to see you and give you any advice he can.

British Columbia is my old home and I hope you will be very happy and prosperous there. It is a beautiful country and full of promise.

Yours faithfully,
