

31st January,  
1930

H. M. Jaquays, Esq.,  
The Steel Company of Canada, Limited,  
M o n t r e a l .

My dear Mr. Jaquays,

I am indeed grateful to you for the kind letter received this morning. I went home with that feeling which always comes when one feels that something worth while has been done. I thought the graduates made a splendid beginning, and I hope that more gatherings of a similar nature will follow.

Ever yours faithfully,

Principal.
