August 23rd., 1923.

Sir Arthur Currie,  
Principal, McGill University,  
Montreal, P. Q.

Dear Sir Arthur:

I am taking the liberty of enclosing some interesting material concerning Mental Hygiene activities for fatherless boys. I would direct your attention, particularly, to the four storiottes that are incorporated in the account.

Thanking you for your continued co-operation, I remain

Sincerely yours,

*C. M. Hincks*
