living. Desirable land close to the City can be had in small plots, nearly all under irrigation, which is essential to success.

A Two Hours' Catch

While the initial cost of the land may seem high, if over \$30 or \$40 per acre, good irrigation costs money, and proximity to a market is valuable. Poultry and eggs are always in demand at good prices. The

A Corner of the Links

finest kind of potatoes, and other vegetables are grown here. Fruit can be also grown to advantage, especially as a side line for the truck gardener.
