

THURSDAY MORNING

FIRST THRU TRAIN OVER T. & N. O. LINE

Ran From Cochrane to North Bay, Where It Was Transferred to the Grand Trunk.

WITH WESTERN GRAIN

Epoch in History of Railway Building in Canada Was Marked on Tuesday.

Chairman J. L. Englehart of the T. & N. O. Commission has received word that the first thru train to pass over the National Transcontinental Railway east from Winnipeg arrived at Cochrane at 3 o'clock Tuesday afternoon.

We have pleasure in advising you that the first grain train from Western Canada by the Transcontinental was interchanged to the T. & N. O. Railway at Cochrane at 7 o'clock last night and arrived at North Bay Junction at 6:20 o'clock Wednesday morning. It was immediately interchanged to the Grand Trunk. The train consisted of 26 cars with tonnage of 10,023, containing 21,160 bushels of wheat.

DYNAMITERS NOW AT LEAVENWORTH

Convicted Men Quietly Removed to Federal Prison—No Hitch in the Arrangements.

LEAVENWORTH, Kansas, Jan. 1.—(Can. Press.)—The 33 labor union officials sentenced at Indianapolis for complicity in the McNamara dynamite plots arrived at the federal prison here at 7:15 today. They immediately were photographed, dressed in penitentiary clothes and formally enrolled as convicts.

As Frank M. Ryan, president of the Ironworkers' International Union; Olaf A. Fveitmo, the Pacific Coast labor leader; H. Robert S. Hoekin, John T. Butler and the others stepped from the special train which brought them from Indianapolis, they were taken in charge by the prison authorities. New Year's Day thus found the labor leaders beginning in the federal penitentiary here punishment for their connection with crimes for which the McNamara brothers, convicted dynamite makers, are serving terms in the state prison at San Quentin, Calif.

The prisoners were taken by rail directly into the prison grounds. Their first view of the interior was from the windows of the train. Within an hour of their arrival each prisoner had been subjected to a hair cut and garbed in the prison uniform.

A Memorable Trip. It was a memorable trip which brought the prisoners over the 570 miles from Indianapolis to New Year's Eve. Once started, U. S. Marshal Edward Schmidt decided not to reach Leavenworth before daylight so that almost twenty hours were passed on the train.

The train was guarded at windows and doors as a rolling garrison of the penitentiary, all the curtains being drawn and no one being permitted to give out any word as to the happenings within.

When the prisoners were registered it was found that Ryan, aged 53 years, was the oldest, and Sherman, aged 28, is the youngest. Charles Wachtmeister, Detroit, with eight children, has the largest family. He is sentenced to two years.

MEMANIGAL BACK TO COAST.

INDIANAPOLIS, Jan. 1.—(Can. Press.)—Orlie E. McManigal, the star witness for the government in the recent dynamite trial, is on his way back to California, where his case will probably be disposed of soon. Deputy Sheriff Malcolm McLaren of Los Angeles has McManigal in charge and will reach Los Angeles probably Friday morning.

THREE LOVERS IN SUICIDE PACT.

VIENNA, Jan. 1.—(Can. Press.)—A suicide pact which three youths carried out in a cafe here on Monday night has been explained by a young girl, who says that the youths were all ardently in love with her and had threatened to commit suicide on her account. The three young men were drinking tea in a secluded corner of the cafe when all suddenly fell from their chairs—dying. They had evidently placed poison in their beverage and the result proved fatal in each case. A photograph of the trio was found in their possession and was shown to the girl, who told of their threat.

UNDERTAKER HELD FOR MURDER.

INDIANAPOLIS, Jan. 1.—(Can. Press.)—A. M. Ragsdale, the undertaker, who, with Dr. Wm. B. Craig, head of a veterinary college, was indicted for connection with the death of Dr. Helene Knabe in her apartment, Oct. 23, 1911, returned late last night from Columbia, Ind., where he conducted a funeral, and today is indicted for murder in the case. Ragsdale is accused of being an accessory after the fact, it being charged that he destroyed evidence in the case.

"YOU'LL SUFFER ALL YOUR LIFE"

That's What the Doctor Told Him

"Fruit-a-tives" Cured Him

CHESTERVILLE, Ont., Jan. 25, 1911.—"For over 20 years I have been troubled with Kidney Disease, and the doctors told me they could do me no good, and that I would be a sufferer for the rest of my life. 'I doctored with different medical men and tried many advertised remedies, but none of them suited my case. 'Nearly a year ago I used 'Fruit-a-tives.' I have been using this fruit medicine nearly all the time since, and am glad to say that I am cured. 'I give 'Fruit-a-tives' the credit of doing what the doctors said was impossible. 'I am now 76 years old, and in first-class health.'

GEO. W. BARKLEY. In all the world there is no other remedy that has cured so many cases of so-called "incurable" kidney disease as "Fruit-a-tives." This famous fruit medicine acts directly on the kidneys—purifying and strengthening them—and ridding the system of the waste matter that poisons the blood. One bottle for \$2.50, trial size 25c. At dealers or sent on receipt of price by Fruit-a-tives, Limited, Ottawa.

EIGHT KILLED IN FALL OF BRIDGE

Freight Train Was Precipitated Into Guyanodette River—Ironworkers Were Victims.

HUNTINGTON, W. Va., Jan. 1.—(Can. Press.)—Eight men were killed and fifteen injured when a freight train on the Chesapeake & Ohio Railroad went thru a bridge over the Guyanodette River, three miles from here at 11 o'clock this morning. The known dead: Engineer E. S. Webber, Russell, Ky.; Emmett Wood, Talbot, W. Va.; Chas. Maddy, Talbot, W. Va.; John O'Connor, Huntington, W. Va. It was said that four more ironworkers were missing.

A crew of thirty or more ironworkers were employed repairing the bridge when the freight train appeared on the main track. Some of them believing the structure to have been weakened left their posts, but others laughed at danger and were carried down with the wreckage when the bridge collapsed under the weight of the train. The fireman of the engine, it was reported, refused to cross the bridge and witnessed the accident.

CAPACITY HOUSE AT ANNUAL RALLY

Methodist Sunday School Pupils in Religious and Patriotic Gathering at Massey Hall.

A capacity audience attended the 15th annual rally of the Toronto Methodist Sunday Schools, held yesterday morning in Massey Hall. The service, which lasted about an hour and a half, was of a religious and patriotic nature. The music furnished by the combined Sunday school orchestras was of such a class that the ordinarily impressive hymns were rendered doubly impressive and elevating by association with it. The motion pictures, which were of a narrative and descriptive nature, were much appreciated, especially by the children.

President H. S. Mott, in his remarks from the platform, referred to the people of 1913 as being a most fortunate people, not only because they are living in this year but also because they are living in this country. Besides President Mott there were several prominent Methodist clergymen on the platform.

EARTHQUAKE SHOCK FELT.

CHARLOTTE, N.C., Jan. 1.—A distinct earthquake shock was felt here at 1:22 this afternoon. The vibrations were from east to west and lasted about three seconds. No damage has been reported.

How to Treat Sprains and Strains

After Ten Days' Suffering Mr. Quinn Says Nothing Cures Like Nerviline

Thousands Recommend "Nerviline"

One of the most soul-distressing accidents that can befall one is a bad ankle or wrist sprain. "If I had only known 'Nerviline' earlier I should have saved myself an enormous amount of pain and many agonizing nights of sleeplessness." Thus writes P. P. Quinn. "I tumbled from a hay loft to the barn floor and sprained my right ankle and left wrist. They swelled rapidly and caused excruciating pains. It was not convenient to go to the city, and the liniment in the house was useless. When I got 'Nerviline' relief came quickly. It took down the swelling, relieved the pain, and gave me wonderful comfort. 'I can recommend 'Nerviline' for sprains, bruises, swellings, muscular pains and sore back. I have proved it a sure cure in such cases.' Think what it might some day mean to you to have right in your home, ready for an accident or emergent sickness, a bottle or two of 'Nerviline. Get it today. Large size bottles 50c, or sample size 25c, at all dealers, or The Carterhazone Co., Kingston, Ont.

LAST RECEPTION HELD BY TAFT

Unusually Large Crowd at Executive Mansion—Shook Hands With Seven Thousand.

WASHINGTON, Jan. 1.—(Canadian Press.)—President Taft's last New Year's reception at the White House attracted today one of the greatest crowds that ever has gathered at the executive mansion. Clear skies and late fall weather brought out the general public in extraordinary numbers, and a new record for attendance of private citizens probably was established. Surrounded by his family, the members of his cabinet and a distinguished company, the president received officials and citizens of high and low degree, and when the last caller had been greeted Mr. Taft had shaken hands with more than 7000 persons. The reception began shortly before noon, members of the cabinet and the diplomatic corps being received first. Next were the justices of the United States Supreme Court and other federal courts, United States ambassadors and ministers, senators and representatives, army and navy officers, a long line of other officials and members of military societies and other organizations. Then came the public.

ACCLAMATIONS IN WOODSTOCK

Citizens Show Apathy With Regard to Municipal Affairs—Bylaw to Be Voted Upon.

WOODSTOCK, Jan. 1.—(Special.)—With the exception of voting "yes" or "no" in regard to a bylaw to raise \$30,000 to improve the local collegiate institute the taxpayers of Woodstock will have no other duty to perform on Monday next, all civic positions being filled by acclamation. Many citizens were nominated, but little willingness was shown by the majority to stand for election, and much difficulty was experienced in securing a sufficient number to stand to fill all positions. The following positions have been filled by acclamation: Mayor—G. MacBeath; Council—George H. King, W. D. Hobson, George Parker, James Mitchell, W. S. West, Clifford Camp and J. Gahagan; J. W. Scarf and John Manning, Board of Education; George F. Mahon, James Steele, Robert Johnston and W. J. Beattie, Board of Water and Light Commissioners; Lieut.-Col. John White and Benson McNeill.

Winter Tourist Traps

Are becoming more popular every year, largely owing to the increased transportation facilities and modern luxurious equipments. Many have journeyed to California, Mexico, Florida and other resorts a pleasure instead of a hardship. With one of these cars you can travel from almost any point on the main lines of the Grand Trunk Railway System to your destination in the sunny south or the Pacific Coast, where the flowers bloom and warm balmy breezes blow. Meals served in dining cars makes it unnecessary to leave the train en route. Travel is an education, and it is delightful to get away from the everyday grind, the monotonous or strenuous life to mingle with successful, happy people and see the best. Round trip tickets are issued by the Grand Trunk Railway System at exceptionally low rates, giving choice of all the best routes, via Chicago, Detroit or Buffalo. Fast trains are run daily between these cities, carrying thru coaches and lighted Pullman sleeping cars via the only double track route, making connections at these points with the coast or the south, etc. A special train will leave Toronto at 1:00 p.m., Jan. 6, via Detroit for Palm Beach, Florida. Tickets, berth reservations and full information can be obtained from any Grand Trunk ticket office, Toronto city office, northwest corner King and Yonge streets. Phone Main 4205.

Thirty Thousand Dollars Furs to Be Cleared Out IN this announcement we admit having made an error in judgment. We have over-bought. Thirty thousand dollars' worth of furs must be sold now from our regular stock, to bring our business into a better adjustment. We are not over-stocked in any one line. We are over-stocked all through the house in our regular line of high grade, genuine new season furs, fur garments, sets, neckpieces, muffs and fur-lined coats. We are not quoting prices in print for the reason that the list is too extensive. But we make the statement that the price reductions are greater for all lines of furs than has ever been advertised to retail shoppers in the history of Toronto. Beginning this morning, we will inaugurate a 30-day sale to dispose of \$30,000 worth of exclusively high grade furs. There will be thirty days of an undisguised sacrifice of prices—in which time we intend to accomplish the necessary levelling up of our stock. BUY YOUR FURS CAREFULLY: It is well worth the while of every shopper intending to purchase a garment or piece of fur to visit several furriers and examine their stocks. In this way a person who is not familiar with fur values will finally make a good selection. This method of making comparison is, we believe, usual with our customers, and we invite them to thoroughly criticize our prices, styles and quality of material and workmanship. We do not expect a visitor to our showrooms to make a purchase unless they are perfectly satisfied they are obtaining a better value than is possible elsewhere. OUT-OF-TOWN SHOPPERS If those who cannot visit our showrooms will mail us a description of the article required we will send full price and quality particulars, and ship on their order, and subject to their satisfaction. GUARANTEE Every article bearing the Dineen stamp carries an unmistakable guarantee. It is the guarantee of a firm of manufacturing furriers established in Toronto in 1864. Established The DINEEN COMPANY 1864 W. & D. DINEEN LIMITED 140 Yonge St. Corner Temperance
