Chandler Bleistein was the mainstay of the Buffalo offence and defence. He was all over the field, and his slashing attack played havoc with the Toronto defence during the first half of the contest. After half time the Canadian players maintained a fast pace, and, with their scoring machine in working order and aided by the hoofs of the ponies, quickly took the lead and at the same time prevented further scoring on the part of the Country Club players.

The match was one of the best performances shown in the D.L.A. this season, being almost entirely free from roughness. Only three penalties were handed out, and they were in the last quarter. Collins struck Charlie George, and the Irish-Canadian player retaliated, which brought a ruling from the referee, both men being sent to the bench for ten minutes. The other penalty was handed to Baker, who used his stick in rather a strenuous manner on Carmichael. Many changes were made by the management of both teams.

out several little incidents occurred which all tended to make the game a flasco.

At one time the fans had to sit for 20 minutes and patiently wait until Mr. Cattarinich was restored to good enough humor to allow his team to finish the game. With the game supposedly cleared of all its roughness by the Torontomagnate, it came as a shock to the spectators to see some minor fist fights, etc. If these things are going to keep up in the same old way, it looks as if the end of the game was in sight.

At one time it looked as if the Frenchmen were going to show the blue shirts the way, home, as they were leading at half-time by the score of 5 to 2. But the visitors weakened in the third quarter and let the Torontos tie it up by the end of the period. In this period the players began to rough it up, and Judge of Play Humphrey tried to enforce the new rules, with the result that he had players on the side lines most of the time. Then the Frenchmen let up a holler that they were getting line worst of the decisions, and when Cattarinich deliberately cross-checked Donihee under the chin and was banished from the game, a small-sized war was narrowly averted. The National manager refused to accept his penalty, and scornfully laughed at Mr. Humphrey, with the result that he was banished from the game for the full time. After a meeting had been held in the centre of the field, the Frenchmen left for the dressing-rooms and proceeded to pout there. DRAW FINAL TODAY

2.10 McLoughlin Faces Dixon, While

H. Hackett of New York over H. Roper Barrett and C. P. Dixon in the doubles match, the United States team leads by two matches to one in the struggle for the possession of the Dwight F. Davis international lawn tennis trophy, and requires only one more victory in the two remaining singles matches to carry off the cup.

The match went to its full extent of five games, of which the Americans took three, the score being 5-7, 6-1, 2-6, 6-4,

The English defenders, who began to play tennis together when McLoughlin was still in knickerbockers, tried all the wiles of which they are masters, but without avail. McLoughlin had recovered his form and lost only one of his service games. Once Hackett played the game which his opponents liked by feeding them low volleys at the net, where the English veterans formed an absolute stone wall. They made every possible return to Hackett, recognizing in him the weak link of the American defence.

Altho often tempted, McLoughlin did not poach on his partner's preserve, often allowing him to take the overhead balls. If the draw is adhered to for the singles to be played on Monday, McLoughlin will face Charles P. Dixon, who was defeated by Williams in Friday's match, while the young Harvard player will be sent against John C. Parke, who took the Californian's measure Friday. Neither of the Americans has, either in the present series or in the All-England championship this year, played against his opponent in the singles matches to be contested on Monday.

CHICAGO, July 26.—Warren K. Wood of Homewood is the new western golf champion. He defeated, 4 and 3. E. P. Allis of Milwaukee, in the finals of the Western Golf Association tournament, played over the links of the Homewood Country Club today.

Allis, one of the youngest players in the tournament, has the championship of Wisconsin to his credit, and took the measure of such redoubtable golfers as former western champion Charles Evans jr., and former national champion Robt. A. Gardner of Hinsdale in the present tournament. He gained fame by making a 300 hole in one.

In Wood, however, Allis met one of the steadiest tournament players in the United States, playing over his home course, and the Milwaukee lad was behind all the way.

Charles Evans jr. took the gold medal for low score in the qualifying rounds, turning in 78, 73—151.
