

The Store of To-day and To-morrow

Hickey & Pascoe

97 Yonge St.

THIS overcoat stock of ours is surely a splendid example of the democracy of this store—there are coats for men at the top and bottom of the ladder—for the employers and the employees—for every man.

AT \$15 some sturdy, durable, weather defying, style perfect overcoats that no other store can duplicate, and we are ready to prove it.

AT \$20, \$25, \$30 the same qualities of wear and value with greater refinements of style, distinction, and individuality.

AT every price, be it \$15 or \$30, greater value, more style, and larger assortments than any other overcoat store. Greater service, too.

BLUE, black, and grey chinchillas, new Whitneys, Moscow beavers, and English curls.

BUFFALO HIGH SCHOOL TEAMS AT ROSDALE

Will Demonstrate American College Style of Play—The Line-Up.

Arrangements have been completed for the big game at Rosedale this afternoon. The two American teams arrived last night, and are quartered at the Prince George. There is strong feeling between the teams, and a very strenuous game is likely to be staged. The 48th Highlanders' Band will be at the grounds at two o'clock, so that early arrivals will not find time heavy on their hands. The line-up will likely be as follows:

Lafayette—Left end, Sager; left tackle, Pinter; left guard, Howlett; center, Carlton; right tackle, McCreary; right guard, Wolf; right end, Dimmick; quarterback, Nasse; left half, Dietzer; right half, Montgomery; full-back, Filbrick. Masten Park—Left end, Webster; left tackle, Schmalz; left guard, Wertz; center, Cloos; right tackle, Delders; right guard, Schenck; right end, White; quarterback, Bortle; left half, Holloway; right half, Schoedel; full-back, Werley.

Referee—Sullivan.

Referring to the trip to Toronto, The Buffalo Courier has as follows: "The Lafayette and Masten Park football men, who leave tonight for Toronto to show the fans of the metropolis how the college style of football is played under American rules, promise the fans of the city a very interesting game. The Masten Park team, in charge of Coach McKinley Wallace and Harry Gorman, '10, will carry the first team, practically the same one which defeated at the hands of Lafayette yesterday, while Lafayette, in charge of Coach Thompson, will be made up of the team which won The News Cup.

MONTREAL CLUB TOOK IN MORE LAST YEAR

MONTREAL, Nov. 28.—That the attendance at Atwater Park last season showed an increase over 1912 of \$17,000 was the news which greeted the directors of the Montreal Baseball Club when they held their annual meeting today. There was a deficit this year of nearly \$5000, according to the financial report.

S. E. Lichtenhein was re-elected president of the club, and Gordon Cusack as hon. secretary, and E. R. Carrington secretary. The club spent something over \$15,000 in purchasing players, and received about \$20,000 in cash for players Burns and Gilmore.

President Lichtenhein said that he would endeavor to sell Doc Miller, outfielder, and catcher Howley, both of whom were obtained from Philadelphia Nationals in the deal for Burns.

U. S. ARMY AND NAVY PLAY TODAY IN NEW YORK

President Wilson Will Divide His Time Equally Between Two Sides.

NEW YORK, Nov. 28.—With the rival teams and the advance guard of a spectacular crowd already in quarters for the Army-Navy football game here tomorrow, this city has taken on the unfamiliar aspect of a college town on the eve of a big athletic contest. The transformation began with the arrival of the naval and military academy eleven, substitutes and coaches, the middles reaching here last night and the West Point cadets this forenoon. Every succeeding train brought a fresh quota of elegantly groomed hussars to add another tint to the color picture, and tonight even the most blasé New Yorker is aware that something unusual was about to happen in the metropolis.

Up to the big college football contests are not beyond the memory of the old inhabitants, the old game between the two arms of the U. S. service, with its distinguished and uniformed assembly of cadets and soldiers have met upon the gridiron 17 times since 1890. New York never has been the scene of the game.

President Wilson, who will witness the game with members of his family and staff, arrived this evening and will spend the night at the home of friends in this city, returning to Washington tomorrow night. During the game he will divide his time equally between the army and navy sides of the field. It is said that he will witness the first half of the game from box 20 on the army side of the field, and during the intermission will cross to the middle stand, where boxes 139, 141 and 142 have been set aside for his party.

In addition to the chief executive, box holders include members of the cabinet, active and retired members of both the army and navy, and many prominent senators and representatives, as well as local and visiting society leaders.

All that is needed to make the eighteenth game between the two academy eleven notable, both from the point of a record assembly and spectacular play, is weather favorable to spectator and participant. On this point the weather is a man has assumed a rather dubious attitude. His prediction calls for cloudy and unsettled atmospheric conditions, and the gathering thousands are hoping for the best while preparing for either rain or snow.

Both teams visited the Polo Grounds today in order to become familiar with the field on which they are to play. Both worked out in secret.

Ladies' Curling Clubs Are Becoming Active

The Ladies' curling clubs of the province are taking a lively interest in the Ontario Curling Association, no less than four clubs having affiliated under the new clause in the constitution which permits them to affiliate as associate clubs.

The clubs already affiliated are Peterboro, Toronto, Kingston and Belleville, and the secretary of the association, a curling club desirous of affiliating. A trophy has already been donated for competition among the ladies' clubs, members of the O.C.A.

A movement is on foot to organize a ladies' curling club in connection with the Queen City Club of Toronto.

Varsity Swimmers Are in Good Shape

Varsity is in good shape for the meet with Hamilton and the West End on Tuesday. They have three of their last year's team for the polo game, and some very promising new men. The team will be practically the same as that which went to McGill for the intercollegiate meet, and will line up as follows: Brown, Brandt, Rutherford, Qua, Peck and Milne.

The relay team is also working hard and is showing good form. They will line up as follows on Tuesday: Tilson, Ferrier, Crompion, Huestis and Walker.

JOE AND JOHNNY CONFER.

CHICAGO, Nov. 28.—Joe Tinker, deposed manager of the Cincinnati baseball team, called on Manager Evers of the Chicago Nationals today, and after a conference said he knew of no place where he would rather play than in Chicago. No terms were discussed, and until President Murphy of the Chicago Club returns from Europe no negotiations can be started between the local organization and the Cincinnati Club regarding the transfer of Tinker.

OPENING BASKETBALL AT WEST END TONIGHT

The West End Y.M.C.A. will stage two basketball games tonight on the West End floor, the first game being between West End Junior and Osters. The main game of the evening will be between London and West End seniors. This should be a fine exhibition of basketball, as both teams are in the form of a conundrum. At half time a wrestling match will be put on by two west end wrestlers.
