A GOOD RECORD

A CUSTOMER SAYS:

"Your engine has been running day and night for over three years (equal to seven years' regular work) and during that time we have never lost a minute through any defect in the engine and have never expended a dollar in repairs. It is still running noiselessly and without vibration."

SHINGLE MACHINES

From \$150 Up

We manufacture the biggest and best line of Hand, Feed, Single, Double and Ten-Block Shingle Machines on earth. Machines that for 28 years have maintained their supremacy for maximum capacity at minimum expense. There are more Perkins Shingle Machines in use all over the world than any similar machines. Prices from \$150 up.

OUR COLUMBIA SINGLE-BLOCKER

Is the most perfect piece of Shingle Producing Mechanism now on the market. Adaptable for any wood—fast or slow feed—experienced or unexperienced operators. The fastest cutting, safest and easiest operated Shingle Machine made. Can't we tell you more about it? Write.

PERKINS & Co., Shingle, Heading and Box Board Machinery. **Grand Rapids, Mich.**
