

CARNEFAC STOCK FOOD

PROF. SHAW'S OPINION:

Read what Prof. Shaw, formerly of the Ontario Agricultural College, Guelph, Ont. and now Editor of the St. Paul Farmer, says of Carnefac Stock Food:

St. Paul, Minn., Dec. 10, 1902.
This is to certify that the ingredients used by Mr. W. G. Douglas, Winnipeg, Manitoba, in the manufacture of his Carnefac Stock Food has been submitted to me for my opinion regarding their value. I may say that I am satisfied they are all healthful. If properly prepared they should make a splendid tonic for live stock, more especially when the digestion is not in the best working order. They will act as an aid in feeding horses in preparing them for spring work, and in putting it on the stomach of cattle, sheep and swine that have been pushed too hard in feeding. It should also render good service when fed to calves that are not prospering because of indigestion.

THOMAS SHAW.

W. C. MACDONALD, Actuary.
