

Infection, precautions against, 13
sources of, 14

Infusion, 34
acute traumatic anæmias and, 35
dilatation of right side of heart and, 41
in cases of collapse, 35
in diabetic coma, 36
in gas poisoning, 37
in poisoning, 36
in septicæmia, 36
in shock, 36
Lane's subcutaneous apparatus for, 40
method of, 38, 39
œdema of lungs and, 41
of ether for intravenous induction of
anæsthesia, 37
preparation of solution for, 37
sepsis, and, 41

Inhalation-pneumonia, cause of failure
after removal of upper jaw, 430

Injection, treatment of nœvi, 404

Innominate artery, ligation of, 710, 716

Insane, paralysis of, general, trephining in,
327

Insanity, operative treatment of, 327

Instruments, infection by, 14
special, for operations on lung, 787
sterilisation of, 19

Inter-crico-thyrotomy, 562

Interphalangeal joint-amputation through,
950

Interscapulo-thoracic amputation, 234
air in veins and, 239
causes of death from operation, 237
dangers of operation, 237
hemorrhage as cause of death, 237
Septicæmia and, 239
shock and, 238
steps of operation for, 235

Intracranial complications of otitis media,
349, 354
operations on Gasserian ganglion, 372
tumours, 297

Intrathoracic goitre, 612

Intravenous induction of anæsthesia, 37

Intubation of larynx, 575
advantages and disadvantages, 576
O'Dwyer's method, 579
technique of, 575, 579
withdrawal of tube, 579

Iodine, tincture of, applications of, 16
method, preparation of skin by, 16

Iodoform bone-filling of Meestig Moorhof,
184

Iodoform emulsion in abscess of hip, 815

Ischæmic paralysis, operative treatment of,
135

Isotonic solutions, 37

Israel's method of restoration of cheek,
501

Isthmus of thyroid, crushing the, 627
separation and division of, 624

Jaw, condyle of, excision of to relieve
fixity, 440
fibro-cartilage of, displaced, suture of,
440
lower, fixity of, Esmarch's operation for,
441
operations for relief of, 440
incision for excision of, 435

Jaw, lower, removal of, partial or complete,
434
partial or complete, difficulties and
mistakes, 436, 438, 545
upper, excision of, partial or complete,
419
extirpation of partial, 429
growth of, malignant or not, 424
Kocher's artral operation, 368
malignant disease of, recurrence of,
434
osteoplastic operations on, 469
questions before removal of, 423
relation of growth to, 423
removal of, causes of failure after,
430
complete, 424
difficulties and dangers during
operation, 430
for carcinomata, 420, 545
for dental cysts, 421
for chondromata, 422
for odontomes, 421
for osteomata, 422
for sarcoma, 420
in operations for naso-pharyngeal
fibroma, 469
partial or complete, 419
for epulis, 419
for fibroma, 420
indications, 419

Jaws, both, operations for complete
removal of, 439
operations on, 419, 545

Joints, movements of, after operation,
152, 154, 161, 219
of hands and fingers, position of, 57
See also Ankle joint, &c.
