England 1 Scotland 1

Note and Comment

More smoke than fire emanated from the meeting of the National Lacrosse Union Saturday at Montreal, unless you take into account the hot-headed harangues of more than one of the representatives. According to the despatch the accredited delegates had no plan ready to submit to the public, as might have been expected from the tenor of the speeches. The delegates declare that they will control the lacrosse situation in Canada and that they will have the players too. However, how this is to be brought about will not doubt given out at the secret session, but that's as far as the story goes.

The shareholders of the Toronto Rowing Club met on Saturday night and elected the board of directors, as was expected. The gentlemen are: Messrs. F. J. Mulqueen, E. P. Boland, J. Thorpe, J. Walsh and J. Gorman. The annual meeting of the T.R.C. will be held in two weeks' time, when the captain and the racing committee and other officers will be chosen, the aquatic delings of last year reviewed and the outlook for the coming season discussed.

Friends of Eddie Durman will be pleased to hear that there is good prospect for a race for the American championship with Bill Hamilton of Boston, the latter having posted a preliminary forfeit of \$100, in his own city, while Durman has the same amount up in Toronto. The race will be for \$100 a side and the title and is to take place at Toronto or Hamilton about the middle of next July.

The good old game of cricket is expected to boom in Toronto this year as it never did before. Two new teams have joined the city league, viz. St. Barnabas and the Robert Simpson Co. The divisional champions of the Church and Mercantile League. They will also have representative teams in the latter organization. The executive committee of the City League have recommended that the ten teams now affiliated be divided into two sections, as follows: First Division. Grace Church, Rosedale, St. James, St. Albans, Parkdale, St. George's, Eastons.

The winners are at the end of the season, and year Toronto and Eastons met for the championship, the latter springing a great surprise by landing the honors.

Knockout Brown of New York knocked out Knockout Jack O'Donnell of Brooklyn in two straight fights in Brooklyn, the latter being the champion of the world.

Abel will never fight again if his story that emanated from Baxter street, New York. The day after Abel lost his championship to Kibane, he came to light headquarters, weeping bitterly.

They have no Canadian Football Association to worry them in Quebec, even if it did make a difference in the Ontario. However, the soccer game is in a thoroughly flourishing condition in the east. They tell the meeting in Montreal the other night probably the greatest and most enthusiastic ever held in Canada. The occasion was the annual general meeting of the P.C.F.A., the body which has pulled soccer football in that province from out of the dim, dark depths of despair and made it a game at once flourishing and alive with future possibilities.

Albert Friedman announced his intention of donating a perpetual trophy emblematic of the soccer championship of the Province of Quebec. Mr. Friedman will also donate medals for the winners and the runners-up.

It is not at all unlikely, indeed probable, says the Montreal Witness, that the season about to open will see games with both Toronto and Hamilton. The match played here with Toronto last fall, the first time since 1907, was a real well for Montreal eleven, who, the score was against them, certainly had the best of the game, the footers of Toronto and Montreal figuring in inter-city games, spring and fall, soccer football would be given a footing in the Dominion which would place it far above the precarious position it has been in for the past few years.

The National Gun Club, which held their program shoot Saturday, the prize-winners were: A Class, J. Harrison (28 yards); B Class, J. Stouffer (22 yards); C Class, J. Stouffer (22 yards). There were 500 birds shot.

Next Saturday there will be a prize shoot. The members are requested to be on hand.
