will be no hardship," said Archie Orr, manager of Orr Brothers. "Some of the poolroom owners should take the week end off to clean up their places.

Will Be Rigidly Enforced. C. Harris, fuel controller for Onrio, says that the order will be rigidly enforced. He issued the follow ing statement yesterday:

The United States found it neces sary to institute heatless days in order to relieve the situation in that country, and we are following suit in an endeavor to show the people of the United States that we are prepared to assume our portion of the the United States that we are pre-pared to assume our portion of the burden as they have been compelled to. While the present order calls for three days' consecutive shut-down, February 9, 10 and 11, it may be found necessary at a later date to repeat the closing order to relieve the transpor-tation situation and reduce coal con-sumption.

"The closing order for consecutive Mondays relating to billiard rooms and places of amusement, etc., will be rigidly enforced, and we ask to the patriotic co-operation of all those affected by the order to assist in accomplishing the ends striven for.

"It is not desired that fires be allowed to go out but that a minimum."

lowed to go out, but that a minimum of hear to used so as to keep ρ , s from freezing. It is expected that there

also ceased taking orders yesterday for the first time in three weeks. Mr. Chisholm spent the entire morning at the offices of the various coal companies, but could not get a supply anywhere. About four hundred applicants were turned away. "Come back tomorrow and we may be able to take your order," was the message given to each needy citizen. All day long a small crowd of coal-seekers was gathered outside the commissioner's office discussing the situation. "My pipes are all frozen up," said one individual. "I have to send the children in next door to keep them warm. I ordered coal two weeks ago,

warm. I ordered coal two weeks ago, and haven't a piece in the house," aner would say. And so it went on

all day long.

The result of the suspension in taking coal orders was to popularize the city's free wood supply. For the first time yesterday a considerable quantity of wood was doled out by the

make a bit of difference as far as his building was concerned, as he like the rest of the wholesale fruit and vegetable merchants, only kept enough fire civic institutions and 1,854 ton lots to keep the goods from freezing, at all to citizens. times, but thought it rather unfair as the cost of the upkeep of the business. Members salaries, etc., would have to be kept up, while nothing would be coming

day recognized as extreme hardship to most merchants, Saturday being the busiest business day. Have sug gested the order apply Monday and Tuesday, or will you wire protest to Sir Robert Borden immediately re-questing change as suggested. Sav-

He said that a deputation of mer-chants was waiting on Sir Robert Borden and Mr. Magrath to see if the Borden and Mr. Magrath to see if the order could not be changed to Monday and Tuesday at noon.

"We have had hundreds of telegrams this afternoon from all over the province endorsing our stand," said Mr. Miller late last night. "The retailers have been and will be the hardest hit. Then a lower difference provinces are not standard to the control of hit. I had a long distance message this afternoon from Wallaceburg. They with natural gas and the merchants wanted to know if the order applied to them." Mr. Miller asked the fuel controller here about it, but he said controller here about it, but he said in the suburban districts the small-that as it was a general order and as there were still complaints from the Wallaceburg and Chatham district of lack of fuel, the stores there would at night, was widely advertised, but have the close of the control of have to close as elsewhere.

FIGHTS SOCIALISTS

War Practically Proclaimed Against Workmen by Russian Metropolitan.

Petrograd, Saturday, Feb. 2.-Becau of the seizure of the Alexander Nevsky Monastery in Petrograd by the Bolsheviki, and other attacks on church property

evelopments in Russia, as well as in rance, Italy or Greece, will perhaps ompel the Germans to change their lesigns.

* * *

Reports which have come thru from Belgium show that the restlessness which caused German worknen to great demonstration in the Petrograd as in connection with the seizure of the Alexander Nevsky Monastery, which occurred yesterday by order of Madame Kolontay, minister of social welfare, there was a riot and a sharp struggle, in which the monks fought the Red Guards. One monk, named stipetrov, who was wounded, died today.

The church authorities are arranging a great demonstration in the Petrograd.

HAMILTON NEWS

MEANS BIG LOSS TO WAGE EARNERS

Thousand Tons of Coal a Day.

It is estimated that about 14,300 employes will be thrown out of work by the closing of the large steel and implement works, inclusive of the implement works, inclusive of the hundreds employed by the small in-dustrial establishments; business houses and offices.

of the large plants that will have to take the enforced holidays. In no case was there a complaint heard as a result of the drastic action.

Until further information is received, or pending developments, the majority of the business men refuse to discuss the measure the property. discuss the measure. Among the re-tail merchants there is some doubt as to whether or not they have to close their stores. Some say they have to

GUNS AND FLIERS triotic campaign to be conducted here next week.

With the thermometer registering

many degrees below zero here the suf fering in this city today as a result of the coal famine was acute Orders are being refused by the city and all the coal dealers, and apparently there is no relief in sight for the present. Coal is supposed to be on the way, but until it arrives no City Clerk Kent stated that during

Henry Drayton, which stated that on and after February 5 all window lighting in retail stores should be dis-continued. The order came into effect last night, but only a small propor-tion of the merchants in the city observed it dutifully. Those who faits ed to obey the order are seemingly quite sare from punishment, for the police stated last night that they had received no copies of the order and would not attempt to enforce it until they did.

In the downtown section near Yonge

and Queen streets very little differ-ence was noticeable. These shops, where it had always been the naon to display an abundance of light in the windows, still exhibited the same amount of brilliancy. Only the larger stores, which, because they remained closed at night, come under the first order in council, were in darkness.

The manager of one of the United Cigar Stores, when asked why the lights were burning in his window, answered, "We start tomorrow night" He was not aware that the order came into effect last night.

ton and Sir Adam Beck," said Mr St. Leger, "suggesting that all lights in retail stores, window lights, in-terior lights, as well, should be turned off at 8 o'clock. It would effect

Hamilton Will Save Two

Special to The Toronto World.
Hamilton, Feb. 5.—Hamilton wage earners will lose in the neighborhood of \$250,000 and about 2.000 tons of coal per day will be saved as a result of the heatless days order that will go into effect next Saturday and continue until Monday night.

The new order was cheerfully accepted here today by the heads of the large plants that will have to

their stores. Some say they have to close up tight, but others interpret the order that they can keep open as long as they don't shovel in the coal.

Cyrus Birge has telegraphed to Ottawa for permission to keep Loew's Theatre open Sunday afternoon and evening for the purpose of holding the two meetings that have been advertised in connection with the patriotic campaign to be conducted here

There is evidently a great deal of misunderstanding about the recent joint order of Sir Adam Beck and Sir

the supplementary order has not re-ceived the same publicity. It is thought that this is the reason for the failure on the part of many store. keepers to observe it.

George St. Leger, manager of the five St. Leger shoe stores in the city complied with the law by darkening all his display windows. He noticed

that other storekeepers near him had neglected to turn off their lights, and on getting in touch with police head-quarters was informed that the police had received no instructions from "I have written to Sir Henry Dray

a further saving in power, and would be no hardship on either the mer-chants or the consumers."

London, Feb. 5 .- The British official communication issued this evening says:
