"Tommy's Triangle," by Arthur E. Copping, is almost as good as a personally conducted tour through the wonderfully organized system of the Y.M.C.A. activities at the front. Mr. Copping has the rare faculty that enables him to select the material that gives vividness to his story and to reject everything, however interesting, that does not bear upon it. Price, 75c.

Use a Trojan Electric Washer Next Wash Day

Wash day drudgery is no longer necessary---a Trojan Electric Washer and Wringer combined in one will wash your clothes so clean they will be dazzling white, and wring them almost dry---all for 5 cents' worth of electric current per week.

Your clothes will last longer if the Trojan Washer is used, and in course of time the saving effected this way will pay for the machine. Now when all cottons, linens and woollens cost so much, it is true economy to make them last as long as possible---and while you save clothes you save time, hard work, and that everlasting rub, rub, rub! Price, \$135.00.

New Suits and Overcoats that Men Will Want
