Tenders.

Admiral Jellicoe Stated

Admiral Jellicoe Stated

that Canadian Molybdenite being used in German navy steel and not in British navy steel almost lost us the battle of Jutland.

Canadian Molybdenite is essential to make armor plate cannon and shells the most effective and a good prof't can be made continuously, selling it to the governments.

Making tools on a plate cannon at the position of the Minister of Public Works, equal to 10 p.c. of the diminister of Public Works, equal to 10 p.c. of the However, the reservation may place am obstacle in the way of the Chino-Japanese negotiations, resulting in an unfavorable situation both for China and Japan as well as for America in the far east."

WILL NOT SURRENDER RIGHTS
Tsingtao, Shantung Peninsula, Nov.

Making tools capable of running at high speed a long time without wasting away is a great advantage to Canada in her race for industrial supremacy It means increased production with Canada's present plants. Canadian molybdenite is an essential to high speed tool steel and this steel sells at a very high price. By order, R. C. DESROCHERS, Department of Public Works, Ottawa, November 19, 1919. Secretary.

SEALED TENDERS, addressed to the undersigned, and endorsed "Tender for grain conveyer equipment, St. John Harbour, N.B." will be received at this sured return. Our country needs it running to employ Canadian men. The industrial race demands that it now be equipped with the latest oil flotation process. That would mean increased production—and more than proportionately increased return for the increase is all profit and not cut into by increased expense per ton.

Our ore body is right beside the mill on the railway. It is very wide, very long and very deep. It all contains molybdenite. It starts right at the surface. The expenses are low and the income is large and certain. It is possible to increase the amount taken out to huge proportions.

SEALED TENDERS, addressed to the undersigned, and endorsed "Tender for grain conveyer equipment, St. John Harbour, N.B." will be received at this office until 12 o'clock noon, Tuesday, December 9, 1919, for the construction of grain conveyer equipment, at Berch 15. St. John Harbour, N.B.

Plans and forms of contract can be seen and specification and forms of tender obtained at this Department at the effices of the Engineer-in-Charge, St. John, N.B. the District Engineers the control, Ont.

Tenders will not be considered unless made on printed forms supplied by the

The Income is large and certain. It is possible to increase the amount taken out to huge proportions.

We want to spend money changing the plant to use the latest process, and so we offer shares to investors.

Make your investment bring, not only an income that is certain, but all the opportunities for big money that come when developing natural resources, Make it help Cahada at the same time, Our company is American Molybdenites Limited, 59 Yonge St., Toronto, Will you write us today, asking particulars of our proposition to you?

INVESTOR'S OPPORTUNITY on a real live proposition. Good returns. Apply to Box 1020, Station C, Toronto.

SEVEN CENTS per minute made during SEVEN CENTS per minute made during evening hours. Write for particulars.

By order, R. C. DESROCHERS, Secret Department of Public Works, Ottawa, November 20, 1919.

The chief request of the delegation was for the repeal of the 15 cents per day tax on each reel of motion pletures, which it was claimed had become a burden on the industry and especially on the small exhibitor in the country town. Film censorship was also discussed. The film censorship in Ontario and Quebec was referred to a being upsatigatory and Sir Henry as being unsatisfactory, and Sir Henry Drayton, while pointing out that censorship was entirely a provincial mat-ter, thought that some step should be

ter, thought that some step should be taken for an interchange system of censorship whereby acceptance of a picture in one province would mean its acceptance in other provinces.

Mr. T. Scott, Toronto, said there were 875 moving picture theatres in Canada, and these represented an investment of \$125,000,000, in which upwards of 20,000 persons were emwards of 20,000 persons were employed with wages averaging \$25 a week, or \$20,800,000 a year. Mr. Scott claimed that this important industry was taxed in every manner possible and the reel tax alone, which is the smallest levy on the list, amounted to \$350,000 a year. Mr. Scott said that taxation on the "working man's luxuries" was tending to cause dissatis-

PROBE WILL WARRANT MARTENS' DEPORTATION

New York, Nov. 22 .- Facts warranting the deportation of Ludwig C. A. K. Martoens, self-tyled ambassador of the Russian soviet government, will be presented next Tuesday at his examination before the joint legislative committee investigating racial activities, here, Deputy-General Ber-

ger announced today.

Evidence will be produced to show that Martens is the Russian communists' chief propagandist in this coun-try, and not a commercial or financial representative at all. Mr. Berger declared. Where his money comes from and how it is spent will be the first information sought Tuesday, he add-
