

Persian Lamb Coats

By adding new lots to the assortment we are able to continue the special reduction in Persian Lamb Coats, including a sensational bargain at

\$87.00

that discounts anything of the kind offered this season. These are the popular mink-trimmed garments of superior quality, and are sold in a regular way at \$140.00. The few that are left are marked away below cost as a special inducement for mail orders.

So many people have been disappointed this week in getting here after bargain lots are all sold out, we must remind you once again—that the time to come or send for things is immediately they are advertised.

GOES TO GODERICH.

Wroxeter, Feb. 8.—Rev. John Osterhout, B.A., D.D., of Wroxeter, has received and accepted an invitation to become pastor of Victoria-street Church, Goderich, next year.

SHIRTS NINETY-FIVE CENTS

THEY WERE \$2.00 TO \$3.00

We don't need to emphasize the fact that it's a lot of broken sizes. You know that in an exclusive stock such as we carry that that would be the only way such a special price would be possible.

Well! We're clearing them. Say 20 dozen nice starched bosom shirts—open front and open back and front.

Sizes 14 to 18 in the lot. Prices that were \$2.00 to \$3.00, reduced to... **95c**

YORK COUNTY AND SUBURBS

EAST TORONTO IS SPLIT ON THE RAILWAY QUESTION

Northern Wards Will Support the Beaches Route—Afraid of Losing the Traffic.

East Toronto, Feb. 8.—(Special.)—A new and startling phase of the railway entrance situation has developed as the result of the action of the eastern municipalities in resolving to petition the Dominion government to allow the railways to enter by the Beaches route. Steps were taken here today to send a strong deputation to Ottawa, asking the government to allow of the Beaches route. Ward three, which is the most vitally interested, is the most active in the matter, but it is expected that ward two will join hands in seeking to permit the passage of the several lines thru the town if necessary.

"Better to have a few residences in the residential section moved than have the G.T.R. give the town the go-by," is the way in which the residents of the north end of the town are looking at it.

"It," said a property-owner, "the railways prevented from running along the Beaches, and take the route suggested, a mile or two to the north of Little York, the workshops will follow as a matter of course, and East Toronto will be the loser."

"We never received any consideration from the citizens along the beach," said another, "either in our fight for better car services or anything else, and now we are going to look out for ourselves."

Down along the front there is commotion at the turn of affairs, and the opinion is freely expressed that the work of the citizens anxious to keep out the railways will be greatly increased by the definition of the north line. The same purpose as that recently sold to the Amusement Company on Leuty-avenue. The farm owned by Mrs. J. P. O'Connell, and the property will be turned over to the House of Providence within the next few weeks.

Mrs. John Busby, widow of the late Mrs. John Busby, and long a resident of the beach, died at her residence on Lansdowne-avenue this morning. Mrs. William Bell, Mrs. Andrew Bell, Mrs. John Downs and Mrs. Wm. Snyder are daughters. The funeral will take place at St. John's Cemetery, Norway, on Monday at 2:30 p.m.

Toronto Junction, Feb. 8.—A meeting of the property committee of the public school board will be held on Saturday night. The management committee meets on Monday night and the regular meeting of the board will be held on Tuesday night.

In St. Mark's Hall, Carlton, under the auspices of the A.Y.P.A., Sheridan's "Rivals" was rendered by the St. Mary's Theatrical Company. The death occurred last night of Mrs. Maria A. King, at the residence of her son-in-law, W. S. Smyth, 32 Albany-st. The deceased was 79 years of age, and had been ailing for some time. She was a widow of the late John W. King of St. Catharines. The funeral will take place on Monday morning at 7:30 o'clock at the Union Station, thence to St. Catharines.

The members of the collegiate institute enjoyed themselves at their annual dance in the auditorium at night.

C. M. Hall, school trustee for ward five, writes The World as follows: "In the last issue of The Leader and Recorder a letter appeared, signed by Councillor Chapman, charging a majority of the public school board of this city with the wasteful public money on the installation of a heating and ventilating system in two of the public school buildings, and as Mr. Chapman's letter might impress some of the members were in a measure correct, therefore, doing six, at least, of the members a serious injustice, and I permit me to state a few facts regarding the systems employed. Mr. Chapman's home is in such close proximity to the Carlton school one would expect him to visit the school and ascertain the facts before making the assertions contained in his recent letter. After considering carefully the most approved and up-to-date methods of heating and ventilating, a decision was made in favor of the low pressure steam heat and gray water system, and best adapted to our economic and best adapted to our specifications and tenders were called for in the regular way. The tenders mentioned by Mr. Chapman in his letter were not for the system approved by the board, and consequently, were not considered. Mr. Chapman's tender was for a cast-iron boiler; the architect specified a steel boiler, and Mr. Paterson withdrew his tender. That of Ryderson & Co. was accepted. After the installation of the plants it was found necessary in some more exposed rooms to increase the radiators, which has been done, and the schools are heated in a most satisfactory manner, as the thermometer readings will show. It is not necessary, as stated, to close any hall radiation to heat the rooms, and and cloakrooms are heated to the same temperature as the classrooms, and, the fuel consumed is less than one-half the amount required by the warm air system. Last year Annette-street School used 140 tons of coal; the estimate for this year is 60 tons, and as the winter advances it is apparent it will not exceed that amount. The board have not taken over the plants, they have they have passed thru another winter. Surely Mr. Chapman will admit that the council even do not safeguard the public funds more than this. The schools are open, and the systems in operation. Any citizens sufficiently interested can have an opportunity of judging their efficacy by visiting them, better than by anything further that I might say."

Port Credit. At Port Credit yesterday morning an engine and five cars ran off the track, caused by the engine and two first cars jumping the switchpoint. No one was injured, and a wrecking crew was at once sent to the scene of accident to straighten out matters.

North Toronto. John Moxon won the challenge cup at the butchers' racing race on the speedway, east of the Don. He brought the cup home, but cannot claim sole proprietorship to it, not till he wins two more races.

Herbert Darling has started building operations at the corner of Yonge-street and Exinton-avenue. Yesterday he started to pull down the old stables.

John Kyles of Glen Grove-avenue, solicitor for the Township of York, is spending a few days at Orangeville.

Robert Bopp and H. Bowell are representing St. Clement's Chapter at

THE SOVEREIGN BANK OF CANADA
—QUARTERLY DIVIDEND—
Notice is hereby given that a dividend of one and one-half per cent. (1 1/2 per cent.) for the quarter ending 31st January, being at the rate of 6 per cent. per annum, on the capital stock of this Bank, has been declared, and that the same will be payable at the head office and at the branches on and after Saturday, the 10th day of February next. The transfer books will be closed from 1st to 15th February, both days inclusive. By order of the Board, D. M. Stewart, General Manager, Toronto, 20th December, 1906.

DR. SOPER
SPECIALIST IN Asthma, Epilepsy, Stomach, Kidney, Impotence, Paralysis, Rheumatism, Heart, Blood and Private Diseases.
One visit advisable, but if impossible send history and two-cent stamp for reply.
Office—Cor. Adelaide and Ontario streets.
Hours—10 to 12 a.m., 2 to 5 and 7 to 8 p.m. Sundays 10 to 12 a.m.
Address—DR. A. SOPER, 25 Toronto street, Toronto, Ont.

LEAVES MONEY TO PROVINCE
Dundas County Man Will Be \$40,000.
Mr. Cameron desired that the province should receive \$2000 from his estate, and provided that if the succession duties should not amount to \$2000, such sum should be paid from the estate as would make up the deficiency. The duties total \$2923.37, the balance of the estate, \$1071.67. The estate amounted to over \$18,500.

Twilight Organ Recital.
Arthur Ingham is admirably succeeding in keeping up the high level of his twilight organ recitals at Central Methodist Church. The scheme for the recital this afternoon at 6 o'clock is especially interesting. It comprises J. S. Bach's Fantasia and Fugue in G minor; Camille Saint-Saens' Danse Macabre; Schumann's Canon in B minor; Concert Overture in E flat Calzavetta; Mendelssohn in D flat; Lenore; Fantasia de Concert, "O Sanctissima," Chipp; Brahms' Ungarischer Tanz in F sharp minor, and Schubert's Military March in D major. Miss Lillian Kirby, contralto, will sing solos by Sullivan and Allister.

To Examine Motormen.
The Ontario railway and municipal board has approved the appointment of John James Bacon to act as examiner of motormen for the Brantford Street Railway, the Grand Valley Railroad and the Woodstock, Thames Valley and Ingersoll Railway.
