New Canadian Record Made
For 1-4 Miles by Chalfonte

Steps Distance in 2.04 4-5 or 1-5
Second Better Than Old Mark
Held by Inferno - Lockey In
Steeplechase.

The closing week of racing on the
Canadian circuit for this year was be-
gun at Hamilton yesterday, the fea-
ture being the last race, when that
California horse, Chalfonte, 5, by Star
shoot-Magna Charta, quoted as high
as 9 to 1, hung up a new Canadian re-
cord for 1-4 miles, stepping the dis-
tance in 2.04 4-5, or 1-5 of a second
lower than the mark held by Inferno,
Chalfonte carried 103 yesterday, while
Inferno had 117 up. Chalfonte was the
best horse yesterday, taking the lead
at the start, with Redmore next, and
this was how they finished, alto Chalfonte
Gilbert challenged in the stretch,
but Musgrave, finding he couldn't get
Redmore, eased up, the result being
that Miss Catesby, with a great stretch
run, nipped Gilbert at the wire.

The racing started off with the fa-
vorite, Michael Angelo, winning the first
race, with Nicol up, with Hyle sec-
ond and Maxin Gun, a long shot, third.
Nicol took the lead at the start, hold-
ing it to the wire, and by the bet-
ting it was the one supposed to win. Mor-
land on Hyle on pulling up lost his
stirrup and had to lead his horse to the
stand.

The second race, a gentleman's
flat race, saw Thomond made the fa-
vorite, or 190 pounds, Henderson, on
Thomond, was nearly unseated, as the
barrier sprung, but he maintained his
seat, taking the lead soon after, and
was never headed. Allen C. at 10 to
1, with 60 pounds less than Thomond,
was second, and with a good
break down before finishing, Davies
having to dismount.

The steeplechase saw Expansionist,
with Nat Ray up, made favorite, but
at the sixth jump Gault, holed,
knocking the favorite down, while Ray
had his ankle wrenched. J. G. C., who
was leading, was caught by Watway,
the second choice, and there was no
doubt about the result, alto Gold-
finger came with a rush at the end, but
was only able to nip Racella, the long
shot, for the place. Racella was the
good thing in the race, but Hayes lost
his stirrup on the first jump and was
thus handicapped. At the jump op-
posite the paddock, Henry on Goldfinger,
had his kneecap knocked away back
and on finishing had to be carried in
to be weighed.

Clairborne, quoted as high as 7 to 1,
was the favorite in a driving finish
from Elsa F. Moleon was third, while
the race was caught by Watway, and Hay-
light were nowhere. In this race A.
Martin, on Brown Tony, who had the
outside position, cut across the field at
the start, and for his anxiety was fined
25. Maud Sigbee ran to form in the
fifth race, Musgrave having only to
let her roll.

The crowd, while good, was perhaps
the smallest of the meet. Yet Toronto
did her share, sending 12 well-
allied coaches. The run was the best of
the meet, Union Station being reached on
the return at 6.30.
