

HANDY PACKAGE DYES

HAVE never been equalled for brilliancy of colors, reliability of shades, and are warranted to color more goods, and to give better satisfaction than any Dye in the market. Compare them; try them; and be satisfied of this fact.

Do not be persuaded to try Dyes that are advertised to color large quantities of goods; the colors made from such soon change, and the goods become worthless. This is especially so with colors on cotton. Our special Colors for Cotton will be found far superior to all others, not only in the large amounts they will color, but in the fastness and brilliancy of the colors, making them indispensable to all wishing to dye cotton goods for carpets or other permanent use.

These Dyes are manufactured from the best and purest materials, so that you are certain to get good colors every time if your goods are free from grease, and the directions followed.

Old silks, faded ribbons, etc., can be made to look like new by using the Handy Package Dyes.

They are just what you want for coloring carpet-rags, old dresses, stockings, etc.

Beautiful ornaments can be made out of grass, wheat, oats, and other grain, after coloring them with the Handy Package Dyes.

The person with an ingenious mind and decorative taste can find hundreds of ways to beautify their homes by using the Handy Package Dyes.

Remarks on Colors—Pure and bright colors can be had only on white goods. Colored goods, especially silk and cotton, can often be made nearly white by boiling in strong soap-suds and rinsing, repeating the process as long as the color comes into the water.

If the Dyes are used on goods already colored, the color obtained will be a combination of the old and new colors.

A Red color, dyed on Green, Slate, or Drab, will make a Brown; on Yellow an Orange; on Blue, a Purple; on Violet, a Wine.

Green will color nicely over Gray, Drab, Slate, Bismarck, and Blue, making Dark Greens, or Olive.

Blue over Green will make a Peacock color; over Reds a Violet or Purple; over Yellow a Green; over Browns, Dark Bluish Shades.

Browns will color over all colors except Black making on Green a Bronze, on Red a Garnet, on Purple and Violet a Wine or Maroon.

Purple and Violet will color over Red, Blue and Brown, making Wine, Plum, etc.

All the dark colors will cover over lighter colors, making various shades of the darker colors used.

For the Cure of all Diseases of the Eye, such as Inflammation, Films, Opacities, Specks, Abnormal Growths on the Mucous Surfaces, and Gangrene.

OF all our organs of sense the Eye is the most important and the most complicated organ, and its diseases are in the same proportion the most interesting and the most frequent. Many of these diseases, by carelessness or improper treatment, frequently terminate in blindness, whereas, by a very little skill or attention at first, this calamity might have been avoided.

Dr. J. D. Kellogg's Eye Water will be found an unfailing remedy for the cure of all diseases of the Eye. It has given better satisfaction than any other preparations sold on the market. It is not a medicine that gives temporary relief only; it cures permanently, by counteracting the disease, and by its soothing and healing properties soon restores the organ to its natural healthy condition. The most aggravated case of inflammation is soon subdued; soreness and itching are allayed; the sight is strengthened, and a uniform healthy action is induced. If your eyes are inflamed, sore, or the sight beginning to grow dim, get a bottle of **Dr. J. D. Kellogg's Eye Water** and give it a trial, and you will never regret the investment.

Mr. James Hendry, Stewart's Bay, Ont., writes: "I received Dr. Kellogg's Eye Water, and am glad to say that it has done me a great deal of good. It soon removed the inflammation, and is gradually removing the film. It is much easier on the eye than any other remedy I have ever tried. I will recommend it to any one I meet with suffering from sore eyes, etc."

Notice the name, "**Dr. J. D. Kellogg's Eye Water**," prepared only by NORTHROP & LYMAN CO., Toronto. Sold by all medicine dealers. 25 cents per bottle.
