CONSUMPTION.—Completely to eradicate this disorder, I will not positively say the following remedy is capable of doing; but I will venture to affirm, that by a temperate mode of living; (avoiding spiritous liquors wholly) wearing flannel next to the skin, and taking every morning half a pint of new milk, mixed with the expressed juice of green hoarhound, the complaint will not only be relieved, but the patient shall procure to himself a length of days, beyond what its mildest form could give room to hope for. I am myself, fit, a living witness of the beneficial effects of this agreeable, and the innocent, yet powerful application. Four weeks use of the hoarhound and milk relieved the pains of my breast; gave me to breathe deep, long and free; strengthened and harmonized my voice; and restored me to a better state of health than I had enjoyed for many years.
