Chimney Sweep—William Byers, sen.

City of Charlottetown., Incorporated 17th April, 1855.

—Is situated on the north side of the Hillsborough (or East) River, and contains twenty streets, running at right angles with each other, varying in breadth from 40 to 100 feet. They are named as follows: Water, King, Dorchester, Sydney, Richmond, Grafton, Kent and Fitzroy; these run east and west, parallel to the river. Those running north and south, are named West, Rochfort, Pownal, Queen, Great George, Prince, Hillsborough, Weymouth, Cumberland, and Edward. There are also two lanes, called severally Hensley and Clark streets. It has also the following squares, viz: Pownal, Rochfort, Queen, King and Hillsborough.

The City proper, and what was formerly called the "Common of Charlottetown," is divided into five Wards, called First, Second, Third, Fourth and Fifth Wards, and are bounded and limited as follows, viz.: The First comprises all that part of the City south of Dorchester Street; Second, all that part of the City south of Richmond and north of Dorchester Streets; Third, all that part of the City south of Grafton and north of Richmond Streets; Fourth, all that part of the City south of Fitzroy and
