## Nanaimo To Have Inkster

Wick Stobbart on Squad Selected to Battle Royals

Royals will have to be on their metal tomorrow afternoon if they wish to take over the leadership of the Inter-city Soccer League. The Westminstre squad can do just that by halting Nanaimo City at Con Jones Park, but the winners will present a strengthened team from that which topped a 2-0 count to St. Davids here last week.

While the Nanaimo selection committee has not announced a starting lineup, Pete Inkster will definitely make his first start of the season in goal. Forrester, a new-comer, and Wick Stobbart are on the squad which includes also Edmunds, Watson, Boyd, McGregor, Knight, English, Waugh, Simpson, Denton, Grey and Sanderson.

Royals will field a strong eleven with the injured Mel Manzer the only absentee. Dave Turner will be back inside-left.

### EASTERN RESERVES

On the reserve list, Royals have two newcomers from the East. The names are Millman and Turner, the latter a inside-forward like his namesake and if he is nearly as good as Dave Turner scribes may be pardoned for calling them the Turner twins.

The big attraction at Cambie grounds is the Inter-high school final between Grandview and South Burnaby at 1 o'clock with referee Axelson in charge.
