

After discussion the Council, on motion, resolved

That the selection of the N. B. Team for the Maritime Match be left, as usual, in the hands of the Executive Committee.

Also,

That to the Executive Committee be referred all matters concerning the reception and entertainment of the visiting teams and the carrying out of the competition.

Col. Beer, on behalf of the Sussex Range Committee, reported that contracts had been duly entered into for the construction of the necessary works on the Fairweather Range, aggregating \$1,118.00, and that the expenses already incurred, and to be incurred, in connection with placing butts and targets in a serviceable state would likely increase the cost to about \$1,300.00, thus practically exhausting the credit balance of the Association. He urged that no reduction should be made in the Prize List, and that we should rather rely upon an increased revenue from a larger attendance of riflemen.

Col. Beer moved, seconded by Lieut. J. D. Chipman,

That the Prize List of last year be adopted with the addition of the prizes as per resolution of the Council in November last, and that two sighting shots be allowed at each Range at a charge of ten cents each.—  
Carried.

The Secretary was directed to open correspondence with officers commanding Corps in the Province, directing their attention to the fact that a small number of good Snider rifles can be obtained by each Corps in lieu of the same number returned into store, and requesting them to take early steps to secure this exchange issue, and to point out that as matters now are the number of rifle shots is necessarily limited by the scarcity of reliable rifles.

Col. Beer informed the meeting that he was in receipt of letters from the D. A. G., who desired to be informed upon what terms the use of six sets of targets could be had for the Sussex camp.

After consideration it was resolved

That six sets of targets be available for the camp at a charge of \$20.00 to meet the cost of repairs and re-covering.

The meeting, on motion, adjourned.

J. T. HARTT, CAPTAIN,

*Secretary.*
