FUSILIERS DEFEAT AMHERST TEAM, 1-0

Large Crowd Sees Close Game on Water Soaked Ice—Kiley Scores

Fifteen hundred people braved the inclement weather Saturday night to see Saint John Fusiliers romp home with a 1 to 0 victory over Amherst that was well deserved. It was a game that fans will not soon forget, the wet surface, fast skating, good stick-handling, considering the condition of the ice, and the remarkable goal tending of Farrow in the visitors' nets.

Before the commencement of the game His Worship Mayor W. W. White broadcasted a word of cheer to the fans for the coming year, in which he held out hopes for greater prosperity during the coming season.

FACES OFF
Just before the actual start of the game Miss Saint John (Miss Florence Johnson) skated out to the centre of the ice to face-off the puck and was given a rousing cheer by the fans as well as being presented with a bouquet of flowers and a box of chocolates by Temple Lane, the referee.

Kiley's lone goal soon after the second period started was the deciding punch to a game that was hard fought for the entire 60 minutes. It was the winning goal as it was apparent the team to score first would win, the ice was very soft and was covered with a half inch of water, making shooting difficult. Indeed, very few shots left the ice, sizzling along much in the manner of a stone on the top of water.

While Saint John's victory was well deserved, nevertheless it was lucky in a way. The shot that beat Farrow was sent in from outside the defence and struck the ice in front of Farrow's stick. The puck took a bad hop, as it will on ice of this kind, and jumped over his stick into the net.

Malcolm and Plumptre were outstanding for the winners, notching up 25 points between them.

Wittien and Boyce were the heavy point scorers for the Nationals, with 22 points. The game was watched by a large crowd of fans because of the exciting rivalry between the two clubs for basketball supremacy.
