JED DOHERTY INJURED Friends of Jed Doherty will regret to learn that he met with a painful injury last evening prior to the commencement of the baseball game on the East End diamond. He was fielding bunts in front of the stand when one of his associates accidentally spiked him. A deep cut was opened on his left foot just below the ankle and he was conveyed to the hospital where it was found necessary to put three stitches in it. Later he appeared on the diamond and witnessed the game. The injury will undoubtedly keep him out of the game for at least a week.
