STRIKE RATHER THAN PAY INCOME

Answer of German Workers to Lock-Outs That Have Occurred.

Berlin, Sept. 2.—The Government's policy of starving the workers into paying their income tax by a system of lock-outs where they refuse to be met with strikes and threats of strikes.

In Wurttemberg the closing of several factories was met with an overwhelming vote for a general strike. The three demands served with the vote are: Withdrawal of troops, immediately re-instatement of the men who have been locked out and pay for the time during which they were locked out.

The tax here is ten per cent. The workers declined to pay it. Then col-

lection by deduction from wages was fixed upon. It was resisted with threats of sabotage and bodily injury to the managers. The lockout was the counter stroke and now comes labor's final answer, the general strike.

ALLOT OFFICIAL HOME TO MARSHALL FOCH

Paris, Sept. 2.—The French Government has decided to allot Marshall Foch an official home worthy of his position. The magnificent building of gray stone at 188 Rue de Grenelle, formerly part of the French War Office, is being made ready for France's greatest soldier, and he will take up his residence, rent free, some time in September.

The decision has saved the marshal from an uncomfortable predicament caused by his lease on his present flat running out and his difficulty in finding one elsewhere.

RECENT WEDDINGS

At St. David's church, yesterday, Rev. J. A. MacKegan solemnized the marriage of Miss Louella B. Chapman, daughter of Mr. and Mrs. F. S. Chapman, of Bloomfield Station (N. B.), and J. Edwin Cook, of Charlottetown (N. B.). The bride, who entered the church on the arm of her father, wore a gown of a wedding march rendered by the organist, Mrs. T. J. Gunn, was attired in her traveling costume, a navy blue tailored suit with satin hat to match and a handsome grey opussum scarf. She wore a corsage bouquet of roses. The bride is well known as a successful school teacher and especially in St. John, where she has been a member of the teaching staff for several years. Mr. Cook is a returned soldier who served his country with distinction during the late war. Mr. and Mrs. Cook have many friends throughout the province who will extend to them their best wishes on this occasion. They

JUST LONELY, TAKES HIS LIFE

Wealthy Man, Kindly of Heart and Generous of Purse, Yet Had No Friends.

New York, Sept. 2.—What prompted Arthur Briggs, wealthy man-about-town, bon vivant, "ranger" of shows, kindly of heart and generous with his purse—everybody's friend—to commit suicide by hanging himself in the cellar of his pretty home in Bound Brook, N. J.?

That is the question they are asking in Greenwich Village, where he was well known and loved, and the question finds echo in his home town, for which he did so much.

That the big fortune inherited from his father, who was a heavy stockholder in the Cunard Steamship Line, has been dissipated finds no credence with those who are in a position to know.

In Greenwich Village friends of the dead man think they have found the answer. It was loneliness.

He spent money with both hands. He delighted in doing so. On the opening night of the first "Follies" he bought \$1,000 worth of flowers and sent them to the girls in the show, and the next day he sent a note to each of them, asking them to come to his home for a party.

He was everybody's friend, and yet there was none who was his friend; no chum, no companion—man or woman or dog.

Just lonely—that was all.

MARRIES FOURTH TIME

Mrs. Irving, After Three Divorces, Secrectly Weds Again.

(New York Times.)

After obtaining her third divorce, Mrs. Ora Boles-Kemper Irving of Louisville, became the bride of O. M. Boner, President of the Natural Dry Milk Company and head of the Boner Case Company, Inc., of 1270 Broadway. The wedding took place secretly in Canada.

After a court order had blocked her fourth marriage, Mrs. Irving obtained her divorce last July, naming Mr. Irving's housekeeper as co-respondent. Mrs. Irving was to have married Mr. Boner last winter at the Waldorf-Astoria, but a court order interdicted. She obtained a divorce from Mr. Irving in January, but the decree was immediately set aside when Judge Kirby of Louisville was informed that she had obtained two previous divorces upon the same grounds, which is contrary to Kentucky law.

BLOOD-SUCKER ON HEEL OF GIRL CAUSES DEATH

Owo so, Mich., Sept. 2.—A blood-sucker, which fastened itself unto her heel while she was wading in a creek, caused the death of Erma Heise, ten-year-old daughter of Frank Heise. It is believed the sucker was imbedded so deeply in the flesh that its head remained when its body was pulled off and caused blood-poisoning.

NAT GOODWIN DIED IN DEBT

New York, Sept. 2.—That the late Nat Goodwin not only died a poor man, but that his liabilities actually exceeded his assets by thousands of dollars, was disclosed in Surrogate's Court, when his father, Nathaniel O. Goodwin of Roxbury, Mass., filed his accounting as administrator.

After deducting the expenses of administration the assets totalled only \$3,762, while his debts ran up to almost \$15,000. Among the last are bills from a dozen physicians, a Parisian milliner and a New York piano-dealer.

Some of the assets which the elder Mr. Goodwin says have no value are more than 280,000 shares of various gold mining, hotel and hydraulic mining stocks, and ten \$1,000 gold bonds of a Utah mining and smelting company.
