**"Tastes

"That is why I like brushing my teeth with Colgate's. Mother says that Colgate's Ribbon Dental Cream cleans better than any other. Father says Colgate's is safe, and he ought to know because he's a Doctor."

The dental profession and the discriminating public prefer Colgate's for what it does, and does well; and for what it does not do, and makes no claim to do.

You should use it. Ask for Colgate's at your favorite store. A trial tube sent for 6 cents in stamps.
