LOCAL NEWS

IN NEW PASTORATE
Rev. C. Stirling, recently of McAdam Junction, has become pastor of the First Calais Baptist church of Milltown, Me.

SCHOOL THEFTS
In addition to theft reported from Winter street school yesterday, in connection with which two lads have been arrested, it was said today that there had been more pilfering from another city school. The principal of the school in question said this morning that there had been no robbery reported to him.

CAUSED A SPILL
A sled owned by a junk dealer and heavily loaded with bottles and bags of other junk, slewed too much on Main street this morning and two barrels filled with the dealer's purchases were strewn across the car tracks. He had a busy time collecting them and replacing them on his sled, but delayed the street car traffic for only a few minutes.

DIED IN BANGOR
Bangor Commercial—The friends of Richard A. Butler will regret to learn of his death which occurred on Thursday morning. He was a well-known insurance man. Besides his wife and two children, he leaves three sisters—Mrs. Jeremiah Mahoney, of Bangor; Sarah J. and Nellie C. Butler, of Bangor; three brothers—Timothy, of Bangor; John S. of Ennisville, N. B., and Michael, of Kingsport.

SAYS HE STOPPED RUNAWAY
With reference to the runaway and capture of George Beamish's horse in Erin street on Tuesday Frank Marney, driver of the east and mail collection team, makes the statement that the horse was caught by him. He says that he was driving down Erin street when he met the runaway and stopped it. After he had quieted the animal another man, who afterwards was said to have stopped it and received \$2 for his trouble, drove up in a sleigh and took possession of the horse.

IMMIGRATION PROJECT
Arrangements may be made by which immigrants to New Brunswick may receive a stimulus through the efforts of a Montreal immigration agency. Jules Home of the firm of Home & Rivet, Montreal, arrived in the city yesterday and has been in conference with James Gilchrist, provincial superintendent of immigration. Mr. Gilchrist said this morning that they had a discussion regarding immigration to this province and Mr. Home submitted a proposition but he could not reveal the nature of the proposal until they were admitted to the provincial government.

BUSINESS MEN SAY
GUTELIUS DID MAKE STATEMENT NOW DENIED

Told Them in St. John That I. C. R. Was Losing About \$25,000 a Year on This Division

The following is an extract from the parliamentary report in this morning's paper:—"The minister of railways told Hon. H. R. Emmerson that Mr. Gutelius had not stated that the I. C. R. division between St. John and Halifax was losing \$25,000 a year; and that the statement was not true."

That Mr. Gutelius did make such a statement is positively asserted by St. John business men who attended a meeting with the general manager of the I. C. R. in the board of trade rooms in this city on Saturday, February 7. The following is an extract from the Evening Times' report of that meeting and its correctness is vouched for by business men who were present.

Mr. Gutelius:—"We are apart only on two matters, the noon train and the night train. I do not want to work a hardship and all I want to know is what is the unusual need for these trains which are not customary on other roads. This district, Number 3, is losing on the passenger business about \$25,000 a year, a larger proportionate loss than on any other."

Harry Gilbert:—"What is included in District No. 3?"

Mr. Gutelius:—"St. John to Halifax. Every night train between St. John and Halifax costs us \$3 for every \$2 we collect. The paying section is between Moncton and Montreal."

SUSPECT BOYS OF THEFT FROM SCHOOL

Robert Cobham and Theodore Amberg, each about fourteen years old, were arrested yesterday afternoon by Detective Lucas and Policeman Pitt, and were brought before Magistrate Ritchie in the juvenile court this morning, charged with stealing a fountain pen and a pair of spectacles. Both boys pleaded not guilty, and said they were not at the school at the time the theft took place, at noon yesterday. The case was adjourned until this afternoon.

Both boys have been arrested before. The father of the Cobham boy was in court this morning. The magistrate asked if he were working. Mr. Cobham replied that he was employed at the sugar refinery. He also said that his son was working with Thomas Dean. The magistrate told Mr. Cobham that if he were working he ought to be able to support his family and should keep his son at school, as he was too young to be at work. Mr. Cobham said that he had a family of seven children to support.

SALVATION ARMY MEMBERS FINED IN MILLTOWN FOR SINGING IN THE STREETS

St. Croix Couriers—A branch of the Salvation Army struck Milltown on Sunday evening, and the town marshal, not appreciating their singing, notified them to appear before the police magistrate next morning. This official, not being of a musical turn, fined them \$2 each.

FINED, WITH OPTION OF JAIL, SEES CHANGE; WALKS OUT OF COURT

Ledain Quietly Gets Away While Magistrate and Sergeant Confer Over Other Cases

The police were searching this morning for Thomas Ledain, arrested last night on a charge of drunkenness. He was fined \$5 for two months in jail in the police court.

There were several cases to come before the court and as soon as Ledain was disposed of, the court sergeant drew the attention of the magistrate to some other matters and while the two were in conversation Ledain, who was standing with his coat on and his hat in his hand instead of going back to the prisoners' bench, walked quietly round the table and went out through the main entrance of the court, down stairs and out to the street.

The court room was filled with spectators and as the man was not noticed by any of the officials, the sound made as he was walking out was not paid attention to as several people were coming in or going out during the court proceedings. The police are now looking for the ex-prisoner.

James Lockhart, aged twenty-one, and Arthur Doyle, aged twenty, were arrested yesterday afternoon in Millidgeville on suspicion of breaking and entering four summer cottages, owned by Mrs. A. W. MacFarlane, James Purdy, F. E. Williams and the Young Millionaires. The cottages were ransacked and articles valued at about \$100 taken. Some of the things said to have been taken were found. Sergeant Kilpatrick with two men in custody in a barn to which the police were directed by a resident of the locality. Doyle has been out on suspended sentence from Judge Forbes. The prisoners were brought before Magistrate Ritchie this morning and were remanded until this afternoon.

PROVINCIAL HOSPITAL PATIENTS NEARLY 600 IN THE LAST YEAR

Steady Increase is Shown by Doctor Anglin's Report—Expenditure Within Appropriation

The annual report of Dr. J. V. Anglin, medical superintendent of the Provincial Hospital, Lancaster, shows that at the beginning of its last year ended Oct. 31, there were 688 patients in the institution. It was permitted, fifty died, and ninety-seven left the hospital, and the year ended with exactly 600 patients in residence, of whom 184 are at the annex.

The daily average number in the institution during the year was 491, or twenty-nine more than in the previous year, and fifty-five more than five years ago. It was found that the number of patients is steadily increasing. More patients entered last year than any previous year, and the number was 174, and the highest previous figure was 164. Of those received last year, eighty-two were men and ninety-two were women. There has been a net increase of forty-seven patients in the number present in the last two years.

The per capita cost calculated on the daily average of patients shows a reduction. The following table is interesting, as it shows a steady decrease since 1910:

1910.....	\$156.90
1911.....	154.23
1912.....	151.80
1913.....	147.20

The expenditure for the year for maintenance and ordinary repairs amounted to \$86,994.77, falling within the appropriation of last session. The following are some of the items:

Salary and Wages.....	\$28,184.02
Food purchased.....	28,564.05
Heat, light, power and water.....	12,418.63
Clothing.....	6,088.91
Furnishings.....	3,763.76
Farm cultivation.....	2,760.96
Drugs, etc.....	1,248.93

With a daily average of thirty more patients, the cost last year was only \$1,762 greater than in the previous year. There was raised on the farm material which, if purchased, would have cost more than \$2,000. The superintendent estimates that, despite every effort to keep down expenses, an additional \$2,000 over last year's grant will be required this year.
