Decision for Shugrue.
New York, Dec. 16.—John Shugrue, sensational Jersey City lightweight, received the judges' decision over Edna Flores, Filipino boxer in the 12 round semi-final to the White-Mitchell bout at Madison Square Garden last night.

Sugging Match.
Boston, Dec. 16.—Frankie Genaro, New York middleweight, last night outpointed and won the decision over Terry Martin of Providence in a ten round bout. Genaro weighed in at 144½ and Martin at 146.

The match was marked by heavy sluggering throughout with the Providence boy doing his share.
Victory for Shude.
Omaha, Neb., Dec. 16.—Dave Shade, California lightweight, won a referee's decision over Frank Schell of Buffalo in ten rounds here last night. It was understood the bout would decide which of the two men will meet Mickey Walker, present welterweight champion.

White Wins.
New York, Dec. 16.—Charles White, Chicago lightweight, won a technical knockout over Ritchie Mitchell of Milwaukee, last night in the tenth round of a fifteen round match at Madison Square Garden. Mitchell's seconds threw a towel into the ring after two minutes and 40 seconds of the round had elapsed, as Mitchell fell to the canvas for the third time. Mitchell's shifty style of attack bothered White during the early part of the bout, but the slender Milwaukee fighter was unable to stand up under White's terrific blows. White floored Mitchell in the first round with a left hook but Mitchell came back in the second round and had the Chicago boxer groggy, opening cuts under White's right eye and on his lip.

Gibbons Winner.
(Canadian Press Despatch).
St. Paul, Dec. 16.—Tommy Gibbons, of St. Paul, won the referee's decision over his fellow townsman, Billy Mike, in a ten-round boxing contest here tonight. Gibbons led Mike's fight, although Mike had flashes in which he showed to advantage, but at no time was he able to stand off his lighter opponent for any considerable time. Their street clothes weight was Mike, 190 pounds; Gibbons, 182.

From the outset, it seemed apparent that only a knockout could give Mike the victory, which is considered here a jumping score to a chance at the world's championship, in a contest with Dempsey. The decision of the referee and two ringside judges was unanimous.

Gibbons had a marked advantage in at least seven rounds, most of the ringside critics agreed. Mike showed best in the third session, in which many gave him a draw. In the fourth round, Gibbons' shade was not pronounced, and one of the later rounds also was a narrow margin affair.
