## European Entelligeure. Arrival of the Comada.

The Steamer Canada arrived at Halifax on

The Steamer Fulton and Canadian steam ers carried out from Liverpool a brief man-iscato from the Paris Moniteur saying when Congress of Paris broke up the Great Powers elements fraught with danger to peace in Belgium, Greece, and Naples, that of all these States Naples alone refused to accept friendly advice, and that in con-sequence the Western Powers will cease diplomatic intercourse.

The article in the Moniteur is the only authorized glimpee the public have yet hal of what is going on, there is nothing additional to add in the way of news.

The British fleet is somewhere in the Mediterranean. The French ships continue at Toulon ready for sea. Meantime despatches are contradictory, while one state-Naples for some months, another asserts that Baron Bremier the French envoy, announced to the Neapolitan Government that if he did not very action of Eastern travel. the Neapolitan Government that if he did of Eastern travel.

About the latter end of this month the instructions being doubtless to demand his passents.

Bedford!

Lit must of course be apparent to every one, after so long a cessation of the works on the instructions being doubtless to demand his Bedford!

> PRESIDENTIAL ELECTION .- Our U. S exchanges furnish the intelligence, that Mr. the United States for the next four years, commencing in March. The votes were, Buchann 174, Fremont 114, Fillmore 8.—
> The Northern States have been beaten, not-withstanding the extraordinate of the states and the states are been beaten, and the states are been beaten, and the states are been beaten, not-withstanding the extraordinate of the states are been beaten, notwithstanding the extraordinary efforts made for Col. Fremont; and it is roundly asserted by the Democratic press, that Mr. Buchanan is not for extending Slavery, unless the people desire it, as it with them alone and not Congress to say, whether Slavery shall

peror of the French, to accept him as a mediator.

The Austrian Gazette has received a communication from Naples that King Ferdinand, to show his conciliatory disposition will not recall his Representative in Paris and London, and in consequence of the recall of the French and English Ambusasdors in Naples, they will only leave these capitals in case their passports are sent.

The Austrian Gazette has received a communication from Naples that King Ferdinand, to show his conciliatory disposition will not recall his Representative in Paris and London, and in consequence of the recall of the French and English Ambusasdors in Naples, they will only leave these capitals in case their passports are sent.

The only authority for this statement is the Austrian ergan which also professes to be able to asy what the demands of the British Government really are; that is to say, first, a change of Ministry, second, about the finite of the present police system, third, a general amnesty. The same authority states that a general amnesty would give satisfaction to the Freuch Cabinet.
