Calgary, Jan. 25 .- Ernest Cashel, the about six miles northeast of Calgary. He is now in the guard room and will be hanged on Tuesday.

Cashel gave the police a chase of 45 days, and during that time has not been more than six miles away from the city at any one time. During a portion of the time he was in the city.

been quietly keeping watch, until yesterday, when his capture was effected without great trouble. Cashel was game to the last and did not give up without a siruggle.

Constable Biggs found his man crouched in one corner or the cellar of Pitt-man's house. He held a light to the corner, whereupon Cashel fired a re-volver, the bullet grazing the constable's MINER LOST HIS head. Another shot also failed, and Biggs retired from the cellar as he was unarmed. Procuring a revolver Biggs returned to the cellar, but was met on the dark stairs by Cashel and further shots were exchanged, only one taking

effect, as it lodged in Cashel's heel. The murderer returned to the cellar corner and the police retired outside, when it was decided to burn the build-
