## Miramichi and the North

A McIntras colt for sale. See advt. DEGAT SCHOONERS for sale.

PINE TROUT:—Some of the finest trout of the season are now being ouight on the culty-truly will have an office bestored upon by and by—say the Praiseworthy Grand at a control of the finest trout of the case on are now being ouight on the case of the finest trout of the case of the case of the finest trout of the case of the ning Pigmy. Then the same initials about a week or 10 days, numbers of the people of Campbellton enjoy themselves fishing from the wharves and from small boats.

THE RIVES:—There is no freshet in either of the great branches of the Miramichi, and the lumber drives are making very slow there is no freshet in either the treat are going up the river in schools and, as might be expected, the contesting to the

A BRILLIANT WEDDING;—F. W. Black-Barnes, of the British new, was married in Triuity, church St. John on 21st to Minusch Nicholace, of St. John. The marriage was the society event of the year. Having received a lengthy leave of absence from the North Attantic squadron, Mr. Barnes will take his bride to England to spend the honeymoon.

The marriage will be a superfect of the grant of the money in the car but is unwilling to blame any one of the officials. Hater advices show that it was the negre car-porter who tampered with the money: He has been ar-

Wild Green:—Measure Geo. and Amon Savoy have returned from Lower Bay, do Vin with a lot of wild with the money save about \$100 recovered.] Vin with a lot of wild goese. They report the birds too wild, yet, to decoy well.

This is due to the cold weather, which tends

of the Parish of New Bandon Civil Conrt, we from him, That he who loveth God Iove of the Parish of New Bandon Civil Court, in the place of John Foley, deceased.

A San Recomment:—While returning from a dance at Garleton early last Priday morning, a boat-full of young men and girls was even by the tide against the bow of the channer Dominion, in St. John harbor, and caparad, and two of the girls, Edith Allen and Liszie King, were drowned. The young men acted in a most cowardly magner and made little effort to save their companions.

DEATH OF MES. S. GIRVAN:—News of the death, at Washington, of Mrs. Samuel brethren. The great centres of the pagan Huntley F. M'Latchey to be Referee in Equity.

Destrict. The great courted on palaces, in theatres and other places of amusement, but they had no hospitals or orphanages. time, went South for the winter, and only a short time ago Mr. Girvan followed to bring her home. She was unable to sustain

Meetings held every weak in their rooms

they had no hospitals or orphanages. They lavished millions in providing pleasure and pastimes for the wealthy and the prosperous, but the poor pined away uncared for and the short time ago Mr. Girvan followed to bring her home. She was unable to sustain the fatigue of the journey and stopped at washington, where she gradually sank until Price family much sympathy is felt. The remains were brought to St. John for burial.

A CLEER'S RENOR:—A few days ago

A CLEER'S REN the Order of Oddfellows set itself to carry out. It reduces benevolence to a system of heaven before many professing Christains, and charges itself with the care of the and he declared for the salvation of heathen through an overlight of the firm's clerk the molesces was taken to the store instead of to the warehouse. Tuesday one of the package was sent away without the necessary customs papers, and yesterday the authorities stepped in and seized the molesces. The series are ploughing.

The hay of last year is about used up. deges that the neglect was his fault. The water is low and driving prospects matter than the neglect was his fault. The water is low and driving prospects matter than the neglect was his fault. The water is low and driving prospects matter the molesces was his fault. The water is low and driving prospects matter than the neglect was his fault. The water is low and driving prospects are searce and dear. Potatoes rotted the order very cordially, and the burning the work the Christian church can say to the Order very cordially, and the pasturage privilege of other two church can say to the Order very cordially, and the pasturage privilege of other than the neglect was sent away without the necessary of further than the necessary of the first and list in the control of the clerk of St. Paul's Vestry (Clerk of St. Paul's Vestry of the nineteenth century was preached and distributed in charity \$48,601,862. From these figures we may gather some idea of the extent of the Order and the amount of good it does. The sermen closed with an admoni-

and Chapter 12 of 53rd Victoria.

Passed 16th April 1891.

Base Ball sociates seem to start brilliantly for the had ceased to exist and men in this country A sad accident happened here yesterday seeson's jurenile base-ball championship, were now divided on the new issues involved vening in which Mr. William McConnell of The record given last week in the game be in the late election. He was glad to know this place lost his hand by the bursting of tween his nine and that under Capt. Tom that so many with whom he had formerly his gan, when shooting ducks.

Leishman was 35 to 4 in Murray's favor, acted in politics had taken the side of loyal. Mr. McGregor (whose employ he was in at the time,) started at once with him to Caraquet to secure necessary surgical aid.

There is a considerable quantity of ice passing here each day, but I think in about ten days we will see the last of it.

Messrs. McGregor, Shank and the Windsors are busy gettieg their lobster gear ready to set as soon as the shore is clear of ice.

Leishman was 35 to 4 in Murray's favor.

The beaten men were not conquered how ever, for they came to the coratch again supported Mr. Adams, who would, no last Saturday, notwithstanding the snow that was falling, making the diamond on the middle district school grounds anything but a pleasure ground. A little mud, however, for they came to the coratch again supported Mr. Adams, who would, no doubt, serve the County effectively and obtain for it the consideration so long witheld by the authorities at Ottawa.

The party broke up at 10.30 with cheers for Mr. Adams and cheering followed him as how was of no secount, in comparison with the glory with which each side hoped to be covered, and the little chars went at it in the lumber drives are making very slow progress. Rain and warm weather are wanted to help our leading industry along.

## ALEX. McKINNON. GET A FLAG

## FOR YOUR SCHOOLHOUSE

## The movement for hoisting the Canadian flag on the schoolhouses on anniversaries of noted ovents in our history is spreading rapidly throughout the Bemizsien and evoking the hearty approval of all patriotic citizens. Already

## The Empire has done its share in helping on this movement, by awarding a handsome fing to one school in each county of Ontario, but the number of enquiries from all parts of the Dominion as to how fings can be obtained by other schools has determined the publishers of THE EMPIRA to offer a handsome

& CANADIAN FLAG of best bunting, 12 feet long (regular price \$15), as a promium for 30 mew yoarly subscribers to the WEEKEY EMPIRE at \$1.00 or eight new yearly subscribers to THE DAILY EMPIRE at \$5 per annum, or a proportion of each, one subscription to Daily counting for FOUR Weeklies.

Every school in the Dominion ought to have a national fiag, and this offer presents an opportunity for each obtaining it without cost, and with little trouble. Let those who are interested in getting a fiag for their schoolhouse join in getting up a club, and while subscribers get full value for their money in the best newspaper in the Dominion, the school obtains its fing FREE OF (COST).

The WEEKLY EMPIRE has recently been enlarged to twelve pages, and is now, without doubt, the best weekly newspaper in Canada, while the reputation of THE DAILY EMPIRE as the leading morning journal of the Dominion is well known.

Sond for sample copies and special clubbing lists, and go in for a fing for your school.
