### VIM WINS THE CUP.

MARBLEHEAD, Mass., Sept. 10.—The Vim won today's race, and Commodore T. L. Park, of the American Yacht Club of New York, becomes the owner of the Roosevelt Cup presented by the Eastern Yacht Club for the international contest between the German and American yachts.

## THE TURK

### SUSSEX HORSE RACES.

The Sussex exhibition horse races this year promise to be the best seen in the province for years. In the race for all the entrance of Gloria, owned by that well known horseman, W. J. Furbush, whose campaigning of Phoenix W. made his name a by-word in the Maritime Provinces, has put the talent on its mettle to pick a winner. Sammie has won both free-for-alls on the local track but has been defeated abroad by Terrace Queen. The two flyers will have another struggle next week and Bontell, who likes the Sussex track, should win out. However, the starting of Gloria makes the race look like another thing, and there will be a lot of guessing done. The Sussex track record has been broken once this year, and it promises to go by the board again when these famous racers get together. The management is looking for a new maritime record, and with a light track it will probably be established. In the 2.20 and 2.25 classes there are great fields entered, and the 2.15 will be one of the best races ever seen in the Maritime Provinces. Last year the Sussex track had the disadvantage of holding classes in which horses started with records that were prohibitive. This year the records will be made here and the other tracks will have the experience of the 2.20 class where a lot of horses starting with no marks, while a year ago the class was won by a horse with a record of 2.15. The local races are bound to be interesting, but the management has set apart Friday, September 16th, for the 2.15, so that the general public will see all the best classes.

## FOOTBALL

### ST. JOSEPH'S MAY ENTER TEAM.

The Young Men's Society of St. Joseph held a meeting last night for the proposition of entering a team in the local football league was discussed. A committee, composed of Harry O. McInerney and Parnell McCaffrey, was appointed, with power to act. They will confer with the St. Joseph's Association to decide whether they should put a team in the league composed of members of both clubs, or a team made up of their own members exclusively. The opinion of the majority of the members was that both clubs should amalgamate, so far as football is concerned, and put a strong combination in the league.

## ST. PETERS TO ENTER LEAGUE.

St. Peter's Y. M. A. met in their rooms last evening and decided to organize a football team and enter the city league.

## BASKETBALL

### CHATHAM, N. B., Sept. 10.—The first game of basketball in the Y. M. C. A. league was played Wednesday evening, when the Blues defeated the Reds, 22 to 14.

## OTTAWA AFTER DOMINION EXHIBITION.

OTTAWA, Sept. 10.—The Central Canadian Exhibition was opened this afternoon by Sir Wilfrid Laurier, in the presence of a large gathering of people from Ottawa and the surrounding country. In the address to Sir Wilfrid the exhibition authorities asked to be given the dominion exhibition grant next year to assist in holding the dominion exhibition in honor of the fifty anniversary of the selection of Ottawa as the capital of Canada. Halifax has the grant this year and Quebec is an applicant for it in 1908.

## FORMER LABOR CANDIDATE LIBERAL CHOICE.

SYDNEY, N. S., Sept. 10.—At a Liberal caucus held here Saturday it was decided to give the nomination for the pending vacancy in the local representation to Stephen B. McNeil, of Glace Bay. Mr. McNeil contested the county as a labor party candidate in the dominion elections in 1904, severely denouncing party politics during the campaign. The present vacancy is caused by the appointment of Neil J. Gille to the office of Registrar of deeds for the county.

## J. M. JOHNSON HAD A SMALL MAJORITY.

ST. STEPHEN, N. B., Sept. 10.—In the elections today Cairns gave Hanson, Democratic candidate for congress a majority of more than 100. Governor Cobb, Republican, carried the city by 46 majority. J. M. Johnson, Republican candidate for representative to the state legislature, defeated Kallish, Democrat by 19 majority. Cairns is usually a strong Republican city. The claim is made that no money or rum was used.

## NEGRO LIGHTED HIS OWN FUNERAL PYRE

Silas Johnson Tried to Burn His Way Out of Jail at Minola, Texas, and Was Roasted to Death.

CHICAGO, Sept. 10. A despatch to the Tribune from Minola, Texas, says: In an effort to burn his way out of jail Sunday, Silas Johnson, a negro, lit his own funeral pyre. He was cremated by a mob surged around the jail, watching his last agonies through the iron window bars unable to save him.

Johnson was arrested on a drunkenness charge and started a fire in the prison hoping to burn his way out. The fire got beyond his control and the turnkey could not be found until too late.

A general fire alarm was turned in and crowds rushed to the burning lock-up. Impelled by the screams of the negro, frantic attempts were made to release him. A battering ram was procured but the iron doors withstood the force. Axes and hammers had no more effect and the crowd was forced to look on and watch the negro burn to death.

The town is without adequate fire service and while the small house was playing on the flames the fire got beyond control. Later one of the walls of the jail fell and Johnson was buried beneath the debris.

## KERRY GOW WELL LIKED

Allen Doone and His Company Pleased a Large Audience at the Opera House

Allen Doone added to his popularity in St. John by last evening's presentation of Kerry Gow, one of the best of many good Irish plays. The audience was a very large one and a hearty reception was tendered the company. Since his last visit here Mr. Doone has improved in the part of Dan O'Hara, and he has also gathered about him several new players who add materially to the strength of the company. Miss Edna Kealey, as Nora Drew, made the most of her part, and the other members of the cast offered good support. The stage settings were well up to the mark, the scenery particularly effective. The same does as usual came in for a lot of attention. During the action of the play Mr. Doone rendered in a very pleasing manner a number of Irish songs.

Kerry Gow will be repeated tonight.

## ROOSEVELT'S SERMON.

President Gives a Discourse on Religion at Oyster Bay.

OYSTER BAY, Sept. 10.—In a half hour's address at the bi-centennial celebration of the Christ Episcopal church here Monday, President Roosevelt talked of the necessity of religion and clean living for the welfare of the nation. "I cannot understand any American citizen," he said, "who has the faintest feeling of patriotism and devotion to his country failing to appreciate the absolute essential need of religion in its broadest sense to the welfare of his country."

The mission of the church, he said, was not to work in the interest of one sect but for humanity as a whole. In this connection he said he had been struck by the prediction of Bishop Burgess of Long Island, who had just said that in two or three generations there would be but one church in this country. On the subject of riches the President said:

"There is nothing I abhor more than the telling of an untruth. To tell men to disregard riches entirely is to preach to them not only a doctrine which it is impossible for them to live up to but which the preacher knows perfectly well they will not try to live up to. But we may put riches below the needs of the soul. Give to the body the things it needs."

The President emphasized the necessity of every man being thoroughly self-supporting as a basis for spiritual life. He concluded with the sentiment that the only life worth living was one made better because it had been lived.

## WAS ONCE A FRIEND OF EMPEROR DOM PEDRO

And Now Mrs. Emma Burke, of Raynham, Mass., Is to be Tried for Selling Liquor.

TAUNTON, Mass., Sept. 10.—Once a friend of the late Emperor Dom Pedro of Brazil, who paid her marked attention and showed her many jewels upon her, Mrs. Emma Burke, known widely a quarter of a century ago as Mrs. Emma Linden, is to be given hearing in the Taunton District court next Saturday on a charge of maintaining a liquor nuisance. She is under bonds of \$100 pending the disposition of the case. The prosecution is the result of two raids made by town constables at her home in Raynham, a village three miles from here.

She was born in Raynham and passed her girlhood there until her beauty attracted the attention of a theatrical manager and as she proved to have some talent for the stage she was started in various attractions. She was presented to the Emperor Dom Pedro in Brazil and remained on the stage some time after returning from that country, but more recently conducted a large cafe in New York. After suffering from nervous prostration and her health shattered she returned to her old home in Raynham. Her husband, Babson, died, leaving her one time a Mexican of considerable note, died several years ago. Mrs. Burke entered a plea of not guilty through her attorney, to the liquor nuisance charge brought against her.

## MISS SUE VAN DUSER

### MARRIES HARRY STUBBS

W. S. Harkins' Leading Lady, and the Comedian, the Principals in a Pretty Affair at Portland.

(Portland Press.)

As simple, natural and sweet as the bride herself was the marriage Sunday afternoon of Miss Susan Titus Van Duser and Harkins' leading lady of New York, which took place at three o'clock at Peaks Island in the cottage facing the sea, occupied by the Van Dusers during the summer. Never was the blue of the sky more deep nor the day more fair for a bride, Dame Nature donning her prettiest robes for the occasion.

With flowers upon every side, beautifully arranged by Miss Susan Van Duser and Miss Miller, the guests were greeted by the bride and groom. The bride wore a white gown and white shoes, and the groom wore a white suit and white shoes. The ceremony was performed by the Rev. Mr. Harkins, who was assisted by the bride's father, Mr. Van Duser. The guests were seated at long tables covered with white cloths, and the bride and groom were seated at the head of the table. The ceremony was a simple and sweet one, and the guests were all in good luck.

## THE FOX A GOOD MOUSE.

(London Graphic.)

The fox is an excellent mouse. He will be and watch for a field mouse in the long grass like a cat, pounce upon it, kill it with a bite and lay it on one side until he has caught another and then, when picking them all up, he will wander away with them to serve them out to the cats. This fact was confirmed by witnesses in Scotland who were examining the remains of the fox in the occasion of the plague of field mice on the Laidlaw sheep farms in 1893.
