BEVERAGE CUP RACE ON SATURDAY
One Schooner, Eight Sloops and Three Salmon Boats Have Been Entered.

The race for the Beverage Cup on Saturday is arousing more than usual interest among the local yachtsmen. Up to the present time one schooner, eight sloops and three salmon boats have been entered, and it is expected that several more entries will be received before the hour of closing at 6 p. m. Friday, August 16.

This cup was presented in 1904 by James Beveridge (now of Chatham, N. B.), for competition between the cruising boats of the squadron, and all the races have been very interesting, as there has always been a good list of entries and an exciting contest. The cup was taken in 1905 by the Robin Hood, in 1906 by the Smoke, and in 1906 by the Vagabond.

The present race will be no less interesting than the previous ones for this cup, as among the contestants will be the Canada, the Louvina, the Winogene, the Gracie M. and the Robin Hood, all of which have been racing for a number of years and have continued to give good accounts of themselves. Pitted against these will be the later arrivals, including the Vagabond, Smoke, Helena, Fei Yuen, and Walter E., all of which have done well in the last year or two.

Three of the fastest salmon boats on the river have been entered for this race, these boats being Fredaham's Mops, Church's Chinook and Clawsom's Lolita E. The salmon boat men think that these craft will make a good showing against the sloops, but the crews of the sloops think otherwise.

The Westfield Outing Association has postponed its salmon boat race scheduled for next Saturday, so that these two races would not clash, giving the start, haul down flag S, hoist flag P and fire one gun.

CLIPPERS HAVE SECOND PLACE
Portland Y.M.A. Team Forfeited to Them in Amateur League — Clippers Looking for Outside Games.

At a recent meeting of the executive of the Amateur Baseball League it was decided that the captains of the Clippers and P. Y. M. A. teams should decide when they would play off for second place. When approached the P. Y. M. A. captain said they would forfeit second place to the Clippers, as he thought the P. Y. M. A. team was not capable of defeating them. The Clippers would rather have played off, so that there would not have been any doubt as to the best team, but on account of the P. Y. M. A. quitting the Clippers will have to take second place. The Clippers would like to hear from some outside amateur teams regarding games. It is possible that the Marathons and Clippers will meet in the near future.

The final standing is:
Marathons Won. Lost. P.C.
Clippers 10 5 .625
P. Y. M. A. 9 7 .562

FARM LABORERS' EXCURSIONS, 1907

Advice just received by the Canadian Railway Company indicates that the wheat crop of Manitoba and the Canadian Northwest will be about as heavy as last year. The crop is expected to be again required to assist in its gathering. There is work for all who can go to work as a farm laborer. The call of the west for help is one that must be heeded—for upon it depends largely the growth and development of our country.

A farm laborers' excursion will be run from all points in Nova Scotia, and from points in New Brunswick, to Prince Edward Island on Tuesday, August 20th. One-way second-class tickets to Winnipeg will be sold from coupon stations. The going rate from C. P. R. lines in New Brunswick will be 212 going and 118 returning. From points on C. E. R. lines in New Brunswick and Nova Scotia, also from points on the D. A. R., the rate will be 212 going and 118 returning. From these points to Calgary and Macleod, the rate will be 112.50 going and 112.50 returning. Tickets will be sold to female as well as to male laborers, but children will not be sold at half-price. (See advertisement in this issue.) With each ticket purchased will receive a verification certificate with an extension coupon, when signed at Winnipeg by a farmer showing the holder has engaged to work as a farm laborer, will be honored prior to September 30th for a free ticket to any station in Manitoba or Saskatchewan south-west, north-west or west of Winnipeg, to and including Moosejaw, Swan River and Kamack. From these points to Calgary and Macleod, including Strathcona and Macleod branches, tickets will be issued at one cent per mile.

Every kitchen should be well supplied with enameled ware, as it now costs but very little more than tinware. Emerson & Fisher at the present time are making a special showing of their celebrated "Diamond" and white ware. It is double coated, acid proof and non-corrosive. Will not chip or crack and will wear for years.

Five New Pictures—New Songs.
Another strikingly fine show of motion pictures awaits Nickel patrons to-day and for the remainder of the week. Such a fine one might say such an educated taste—for this class of entertainment has been created among Nickel friends that it behooves the management to strain a point every effort of programme to improve upon former efforts. This week the quality of the pictures has been distinctively above the average and these new films will heighten the standard consideration. For instance, the spectacular picture Genevieve of Brabant is a charming rendering of a German legend of the eighth century, telling of false accusation, cruel abandonment, how baby was reared by a female deer and the reunion years after. Another good picture is Express Sculptor, or the lightning clay modellers, who Angling in Norway. The picture is a masterpiece of such a varied and entirely novel character that the general verdict will undoubtedly be "the best yet." In the special passenger trains (particulars announced later) will be run on the main lines, and tickets will be accepted on regular trains. All further information can be had on application to nearest agent, or from W. B. Howland, D. P. A., C. P. R., St. John, N.B.

BAND CONCERTS.
To the Editor of the St. John Star: Dear Sir:—Regarding your editorial "Band Concerts" in the issue of the 14th, I beg leave to call your attention to the fact that the Carlton Cornet Band has already this season played five concerts on their stand Market Square, West End, and one on the grounds of the Provincial Hospital. Their last concert of Friday, 8th inst., was not advertised owing to the fact that our secretary found it impossible to have the notices inserted. St. John is the only city or town in the Maritime Provinces of any size that does not make an appropriation for band music. Fredericton, Halifax, Moncton, Woodville, and many other places all pay for their music. Thanking you, Mr. Editor, for your time and space, I beg to remain, Yours very truly,
FRANK T. BELVEA,
Band Sergeant Carlton Cornet Band.

ROBB—HARLEY.
NEW GLASGOW, N. S., Aug. 14.—The home of W. E. Harley was the scene of a very pretty wedding this afternoon when his daughter Nina was married to Wm. T.
