WENT FOUR MILES ARE  
NOW READY FOR OPERATION

Good Progress, Says Mr.  
Corbett, is Being Made on  
Moncton-Chipman Section  
—Some Deep Fills, and  
Heavy Bridges

Talking with the Star, James H.  
Corbett, head of the Corbett-Floesch  
Company, gave an interesting account  
of the progress of the work on the  
Grand Trunk Pacific between Moncton  
and Chipman. As is known, the Cor-  
bett-Floesch Company has the con-  
tract for constructing the greater part  
of the road between these points. They  
have a total of fifty-five miles, in-  
cluding six into the ballast pit within  
three miles of Salisbury.

We have been working at both  
ends of our contract, from Coal Creek  
and Moncton, and our camps are now  
within five miles each other. We  
expect to have them connected within  
the next couple of weeks. Working  
from Moncton towards Chipman, the  
work is practically completed up to  
mile thirty-three and a half, except  
three hundred dump cars, five derrick  
plants, including steam-wings and  
hoisting engines, three stone crushing  
plants, five concrete mixers, four  
standard gauge locomotives, twenty-  
five Hart-Oulis invertible cars, a  
spreader and three standard gauge  
flat cars. This plant cost upwards of  
a quarter million of dollars, and it  
cost the Corbett-Floesch Company  
\$75,000 for freight and duty to bring  
it to their contract.

For the better understanding of  
what is being done between Moncton  
and Chipman let the fact be recalled  
that the total mileage of the G. T. P.  
in New Brunswick is under contract as  
follows: Lyons and White, 62 miles;  
Kitchener Construction Company, 31  
miles; Toronto Construction Company,  
119 miles; J. W. McManus Company, 8  
miles; Corbett and Floesch Company,  
55 miles, making a total of two hun-  
dred and sixty-seven miles. The total  
work in New Brunswick will cost  
about \$15,000,000. The greatest cost will  
be the section under construction by  
the Kitchener Construction Company,  
which is the heaviest in any part of Can-  
ada. The cost of that section will not  
fall short of \$100,000 per mile. The  
principal feature of the Corbett-  
Floesch job is the big fill at Coal  
Creek. It is over a mile long and is  
highest part ninety-feet. The fill  
contains about 700,000 cubic yards of  
rock and earth. It is 300 feet long  
and the arch is 25 feet in diameter. The  
culvert will be of concrete and the  
work of concreting will begin there im-  
mediately.

Leaving Moncton the first fill of im-  
portance is at Jonathan Brook, two  
miles out. It contains about two hun-  
dred thousand cubic yards and is forty-  
eight feet high. The next fill is at  
Berry's Mills. It is one of seventy-five  
thousand cubic yards and is twenty-  
two feet high. At North River, ten miles from Moncton,  
there is a fill of one hundred thou-  
sand yards and one at the south  
branch of the Canaan of fifty thou-  
sand yards. The bridge at Canaan River, twenty-  
two miles from Moncton, is five hun-  
dred and forty feet long and eighty-  
feet high. It was erected by the  
Canada Foundry Company and has two  
abutments and twenty pedestals. There  
is a thirty foot arch at the north  
branch of the Canaan River, as well as  
a fill of sixty thousand yards. This  
is three and one-half or four miles  
west of the Canaan River bridge. The  
fill for the approach to the Canaan  
River bridge is thirty-five feet high and  
contains one hundred and twenty thou-  
sand cubic yards. The engineering staff on the Corbett-  
Floesch work is as follows:—Division  
chief at Moncton; R. H. Cushing, di-  
vision engineer; Grover Keith, drafts-  
man; Frank Dayton, clerk.  
Division No. 1—3-Mr. J. A. Mac-  
Dougall, resident engineer; S. H. Troop,  
(Continued on page seven)

OFFICIAL POLITENESS  
WASTED THIS TIME

An Intercolonial Railway passenger  
official experienced this morning one  
of those situations where politeness is  
its own reward. He saw a couple of  
young ladies rush into the depot just  
as the Maritime express was beginning  
to move out and make a dash up the  
slopes by the time they reached the  
train it was in motion so they slowed  
down and watched it pull out with an  
expression of disappointment on their  
faces.

The gallant official stepped up and  
with his most polite bow expressed his  
regret that they had missed the train  
and informed them when the next one  
left.

The girls stared at him a moment and  
then laughed, and one of them remark-  
ed: "Oh, that is all right. We were just  
coming down to see a friend off."

FARMER'S BRUTALITY  
TOWARDS HIS WIFE

Lashed Her With Whip and  
Rubbed Salt into Wounds  
Probable Murder at Three Rivers—Child  
Killed by Street Car—Hospital in  
Quarantine—Court Matters.

THREE RIVERS, July 27.—Maxime  
Dumont, of this place, who disappeared  
from home Monday, the 19th inst., was  
found drowned at Cap Madeleine Sat-  
urday. The body bears marks of vil-  
lence and the case is believed to be  
one of murder.

HAMILTON, Ont., July 27.—Willie  
Haggarty, three years of age, was run  
over by an electric car on Main street  
last night as the result of running in  
front of the car. One leg and one arm  
were practically cut off and the child  
died in a few hours.

WOODSTOCK, Ont., July 27.—In the police  
court yesterday no charge was prefer-  
red against Mortimer Thomas Charles  
Taylor and Emil Hebert, arrested in  
connection with the death of Enoch  
Rees and Ernest O'Brien, on Sunday  
evening, through being crushed by  
street cars. The case comes up again  
today.

QUÉBEC, July 27.—The preliminary  
investigation into the charge of false  
pretences alleged against W. P. Lindsay,  
ex-manager of the Lévis branch of the  
Bank of British North America, was  
concluded in the court of sessions yester-  
day. The decision of the magistrate  
whether the evidence supplied with money,  
and the comparatively small amount car-  
ried by Lindsay would not naturally  
lead to her being charged with in-  
ferring money to her, was not natu-  
rally in favour of the woman. It is  
from the fact that the police have  
in no way changed their feeling of cer-  
tainty in Mrs. Richmond that they  
have the criminal it is hinted that the  
rumored additional arrest means they  
will claim the woman as an accomplice.  
The Hotel Florence has been  
searched high and low for the missing  
valuables without success. The search  
extended from cellar to garret, and  
even the walls were examined for a  
secret hiding place. It is pointed out  
that the condition of the room in which  
Mrs. Richmond was found presents the  
possibility of her having herself  
removed the valuables from the house.

LOOKED ON AND LAUGHED  
WHILE A BOY DROWNED

Workmen, Fooled Too Often, Thought This  
Lad, Like Others, Was Joking.

MONTREAL, July 27.—While a dozen  
men in boats looked on and laughed,  
that yesterday the men laughed at the  
drowned yesterday. The men were lay-  
ing a new intake pipe and have made  
a mistake in the deep. The men were  
often fooled the men into a rescue,  
and the boys have been in no danger,  
that yesterday the men laughed at the  
drowned yesterday. The men were lay-  
ing a new intake pipe and have made  
a mistake in the deep. The men were  
often fooled the men into a rescue,  
and the boys have been in no danger,

and the boys have been in no danger,

KNIGHTS ARE PREPARING  
FOR TRIP TO QUEBEC

Final preparations are being made  
for the excursion under the auspices  
of the Ancient Order of Hibernians to  
Quebec, where a handsome monument  
will be unveiled in August. The Hall  
tax divisions, which are running the  
excursion, expect several hundred per-  
sons to attend the ceremony from the  
Maritime Provinces. All the leading  
members of the A. O. H. in America  
will be present.

TENNIS TOURNAMENT

Entries for the provincial tennis  
tournament will close with C. F. In-  
chou on Monday next. The meet will take  
place in St. John and is attracting  
much attention. The gathering at the  
tournament will be a large one. St. John,  
Rothesay, Fredericton, Chatham, An-  
dover, Westford and Sackville will  
have strong representatives at the  
courts. The winner of the meet will  
play off with the leaders in Nova  
Scotia tournament for the Maritime  
championship.

The New Brunswick competition will  
open on the local courts on Tuesday,  
August third, and continue until the  
following Saturday. There will be the  
customary sets in singles, doubles and  
mixed.

The funeral of the late Miss Cath-  
erine Lee was held this afternoon at 2:30  
o'clock from her residence, Little  
River. The remains were taken to  
St. Joachim's church, where Rev. A. J.  
O'Neill read the burial service. Inter-  
ment was made in the New Catholic  
cemetery. Relatives acted as pall-  
bearers.

ONE BIG PRIZE SHOULD BE  
ENOUGH FOR ANYBODY

Never Let a Day Pass Without  
Adding Something to Your  
Store of Votes in the Star  
and Sun's Great Contest—  
Watch the Papers Every Day

Candidates will bear  
in mind that the Sun  
and the Star cannot  
be sent by mail in the  
City of St. John.

When people are turning first to the  
contest page and noting the gains the  
candidates are making it is proof posi-  
tive that the great Prize Contest is  
taking a tremendous hold on the pub-  
lic and many are the opinions put  
forth as to who will be the fortuna-  
ry winners.

AN IMPORTANT QUESTION AN-  
SWERED.  
We were surprised to hear that  
some are under the impression that  
more than one prize can be won by a  
single candidate. It seems to us that  
this would be most discouraging to  
others who are making their best ef-  
fort and who, if they miss a grand  
prize, are at least entitled to the dis-  
trict prize. We tried to make clear in  
our first announcement that the four  
candidates who secured the highest  
number of votes, irrespective of dis-  
trict, would win the four grand prizes,  
it is possible, though not at all prob-  
able, that one district will win two of  
these grand prizes, but one candidate  
will get only one grand prize. This  
does not affect the division of the dis-  
trict prizes at all. After the grand  
prizes are awarded, the winners of  
them have all they are entitled to.  
Then the candidates in each district  
who made highest in their district will  
get the district prize.

All of you have heard "Make good"  
Now see what it has to do especially  
with the contest business. All who  
take this to heart are preparing a  
good time for themselves and will  
have cause to rejoice on the last day  
of the contest.

THE HARE AND THE TORTOISE.

Do you remember the fable you were  
taught in school of the Hare and the  
Tortoise? These two agreed to run a  
race, and naturally all of the bets  
were laid in favor of the nimble Hare.  
Some even derided the Tortoise, and  
told him practically that they liked  
his nerve in pitting himself against  
the swiftest of creatures. But the  
Tortoise just kept on muddling to  
himself his favorite motto, "Slow but  
Sure, Slow but Sure."  
When they set out it was but a few  
minutes before the Hare was out of  
sight and the patient Turtle was labor-  
ing far in the rear.

When Mr. Lighthoot saw there was  
no one in sight, he laughed to himself  
and decided that he would stop at  
the first wayside house for lunch. This  
roadhouse was called "Turnip Top  
Inn," and the Hare ate a hearty  
lunch and then took up the course  
again, but he did not feel so light now,  
and presently with a yawn he lay  
down for "forty winks." Waking much  
refreshed, he leaped along until he came  
in sight of the goal, when what was  
his astonishment to see the plodding  
Tortoise creeping at the same steady  
gait at which he set out, within a few  
inches of the line.

A series of mad leaps brought the  
Hare in a trice to the judges' stand,  
but the race had already been won  
by the Tortoise.

THE MORAL.

The moral is plain. Keep going.  
Never let a day pass without adding  
something to your store. It will not be  
giving yourself a chance unless you  
make the most of each moment of  
your time.

A steady pace will surely bring you  
to the fore and you will have no need  
to fear the swiftest opponent if you  
keep right on going until you reach  
the goal.

INDIANTOWN NOTES

A fair quantity of produce is com-  
ing down river these days. At Indian-  
town this morning the following  
wholesale prices were quoted:  
Potatoes—30 to 30 cents.  
Green peas and string beans—12 to 15  
cents.  
Lamb—12 to 14 cents.  
Beef, by the carcass—6 to 8 cents.  
Blueberries—Per box, 10 cents; per  
pail, 10 to 15 cents.  
Raspberries, cultivated—12 to 14  
cents.  
Strawberries—About 7 cents.  
The supply of strawberries during  
the last few days has not been of the  
best quality and good berries arriving  
tomorrow should bring from 8 to 10  
cents per box, by the crate.  
Most of the farmers are now begin-  
ning to get their hay in and until that  
is over will not be likely to send down  
much produce except those kinds that  
will not stand delay.

BOARD WILL DEAL WITH  
TENJERS FOR PAVEMENTS

On Germain Street—Much Other Business  
Before Board of Works This  
Afternoon.

The question of what form of per-  
manent paving is to be laid on Ger-  
main street will be decided at the  
monthly meeting of the Board of  
Works which is in session this after-  
noon at City Hall. Tenders for the con-  
tract were received up to noon today,  
and it is understood a number of firms  
are anxious for the job. The Housing  
Company is supposed to have the in-  
side track, but considerable opposition  
to their claims is expected.

CHIEF SARKE LOSES HIS  
JOB AS HEAD OF TRIBE

Joe Bernard Succeeds Him in P. E. Island  
—McTavish's Body Home for  
Burial.

CHARLOTTETOWN, P. E. I., July  
27.—An exciting election took place yester-  
day at Lennox Island, the Indian  
reservation, for the Chief of all the  
Albemarle P. E. I. John Sarke, the  
present incumbent who has held the  
office for many years, was defeated by  
Joe Bernard by three majority.  
The remains of Stewart McTavish,  
murdered in Cambridge, arrived here  
last night and were taken to his home  
today for burial.  
Yesterday an excursion took place on  
the steamer Harland to Tatungouche  
to enable visitors to become acquaint-  
ed with the Brule route, which is being  
advocated here as a summer-win-  
ner route between here and the main-  
land.  
The annual Sunday school picnic of  
St. Matthew's church is being held  
today at Watford's Landing. The  
steamer Hampton took up about 250  
passengers this morning to the picnic  
grounds, and another large contingent  
left on the afternoon trip.
