A NEW CONTRIBUTION TO SCIENCE The Great Grand Discovery. R. R. R. (No. 3) Radway's Regulating Pills.

Dr. Radway & Co. have recently discovered a method for extracting from roots, herbs, plants and gums, a nutritious extract of such wonderful nourishing power—which they have combined with RADWAY'S REGULATING PILLS—that six of these Pills will supply the blood with the same amount of nutrition as one ounce of ordinary bread; so that, while the system is undergoing a thorough physicking, and regulating process, it daily becomes strengthened.

Persons afflicted with Liver Complaint, Dyspepsia, Heart Diseases, Fullness of Blood, and all Females who are subject to Irregularities, Hysteria, &c., are particularly recommended to use these Pills. They are pleasant to take—elegantly coated with gum—free from taste, and will not grip, sicken or weaken the system, or leave the bowels costive. Mothers nursing should likewise take one or two of these Pills once per week. They will not only keep your system healthy and regular, but will protect your infants against Cramp and Pains in the stomach, and insure not only a healthy child, but will invest every child, thus suckled, with a sweet disposition.

The Mighty Healer! WORLD KNOWN AND WORLD TRIED.

The free admissions of all nations, as well as the verdict of the leading hospitals of the Old as well as the New World, stamp this powerful remedial Agent as the greatest healing preparation ever made known to suffering man. Its PENETRATIVE QUALITIES are more than MARVELLOUS, through the external orifices of the skin, invisible to the naked eye, it reaches the seat of the internal disease; and in all external affections its anti-inflammatory and healing virtues surpasses anything else on record, and is Nature's great ally.

Erysipelas & Salt Rheum. Are two of the most common and virulent disorders prevalent on this continent, to these the Ointment is especially antagonistic, its "modus operandi" is first to eradicate the venom and then complete the cure.

Bad Legs, Old Sores, & Ulcers. Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful agent.

Eruptions on the Skin. Arising from a bad state of the blood or chronic diseases are eradicated, and a clear and transparent surface regained by the action of this Ointment. It surmounts many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

Piles and Fistula. Every form and feature of this prevalent and stubborn disorder is eradicated locally and entirely by the use of this emollient; warm fomentation should precede its application. Its healing qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

- Bunions, Swelled Glands, Sore Legs, Chapped Hands, Sore Breasts, Sore Heads, Sore Throat, Gout, Lumbago, Mercurial Eruptions, Sprains, Piles, Stiff Joints, Rheumatism, Ringworm, Salt Rheum, Venereal Sores, Wounds of all kinds, Skin Diseases, Swelled Glands, Sore Legs, Chapped Hands, Sore Breasts, Sore Heads, Sore Throat, Gout, Lumbago, Mercurial Eruptions, Sprains, Piles, Stiff Joints, Rheumatism, Ringworm, Salt Rheum, Venereal Sores, Wounds of all kinds.

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same knowing them to be spurious.

Sold at the Manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in medicine throughout the United States and the civilized world, in pots at 25 cents, 63 cents, and \$1 each.

There is considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each pot. WILLIAM T. BAIRD, Agent for Woodstock.
