LATER FROM EUROPE.

War Declared by Great Britain !!

Severe Fighting on the Danube.

☞ The Royal Mail Steamer *America*, arrived at Halifax this morning at 3 o'clock. Just as our paper was going to press, the telegraphich despatch reached this city. We have barely time to insert the following :

WAR WAS FORMALLY

Proclaimed at London Royal Exchange in presence of Civic Authorities.

Teneriffe and Cambria sailed with more Troops for the East.

No Letters of Marque will be issued by France or England.

The War will be carried on in strict accordance with Treaty between the Porte, England & France signed on 12th March.

On 23d, Russian Detatchment under Gortchakoff, forced passage of Danube above Tulska, and captured 11 guns and 1100 prisoners and occupied Julska and several Forts on right bank of Danube.

Russians attempted to cross Danube at Oltenitza when desperate battle ensued, Russians repulsed with loss of

THREE THOUSAND MEN !

Turks were so badly cut up that they had to retire to their entrenchments. Carnage dreadful.

Russians have succeeded in crossing Danube at three points.

THE DUKE.—We have received from Mr. Hunter, the agent of Tallis & Co., in this City, the latest number of "The life and times of the Duke of Wellington," which is replete with interesting matter. No admirer of the character of the illustrious deceased—and who is not?—should hesitate in becoming a subscriber to this excellent periodical.

CHAMBER'S JOURNAL.—We have the 1st. and 2d. parts New York reprint of the famed Journal, whilst it is ranked amongst the cheapest, it certainly equals the very best specimen of periodical Literature.

CHANGES IN NOVA SCOTIA GOVERNMENT.—The Hon. Joseph Howe has resigned the Provincial Secretaryship of Nova Scotia and his seat in the Executive Council, on assuming the Chief Commissionership of Railways. L. M. Wilkins, Esq., of Windsor, succeeds him as Provincial Secretary. William Young, Esq., has been appointed Attorney General, in the place of Mr. Uniacke, who goes into the Crown Land Department, *vice* Mr. Morris, who retires upon a pension.—Stewart Campbell, Esquire, M. P. for Guysborough, was elected to the Speaker's Chair, vacated by Mr. Young. Mr. Henry is to be Solicitar General.

Mr. Annand to be Queen's Printer, vice J. S. Thompson, who goes into the Excise Department.

The Legislature of Nova Scotia, was prorogued on the 24 instant.

☞ The steamship *Africa*, with 120 passengers and $130,000 in specie, sailed from New York for Liverpool, on the 5th instant.

☞ *Holloway's Pills, the Best Remedy for the Cure of Dropsy.*——Extract of a letter from Mr. F. Williams, dated Mello d, March 1, 1852.—"To Professor Holloway.—Sir.—Feeling grateful for the benefit my wife has derived by the use of your Pills, I consider it my duty to inform you of it. Soon after the birth of her last child, her feet and ancles began to swell, and afterwads her whole body, strongly indicating dropsy, this occurred at the turn of life. I obtained the best medical advice, but her health continued to decline. I then tried your Pills, which I am happy to say have restored her to sound and perfect health."

☞ W. B. PALMER, the American Newspaper Agent, *is the only authorized Agent* for this paper in the cities of Boston, New York, and Philadelphia and is duly empowered to take advertisements and subscriptions at the rate as required by us. His receipts will be regarded as payments. His Offices are—Boston, Scollay's Building; New York, Tribune Buildings; Philadelphia, N. W. corner Third and Chestnut streets."

☞ The *Chronicle* is filed, and may be seen free of charge at Professor Holloway's Establishment, 244 Strand, London.

WISTAR'S BALSAM OF WILD CHERRY, not only emanates from a regular Physician, but has been well tested in all complaints for which it is recommended.—A Physician in Maine says :

"I have recommended the use of Dr. Wistar's Balsam of Wild Cherry for diseases of the lungs for two years past, and many bottles to my knowledge have been used by my patients, all with beneficial results. In two cases where it was thought confirmed Consumption had taken place, the Wild Cherry effected a cure."

We speak in praise of Wistar's Balsam of Wild Cherry, because we believe from our own knowledge of the article that it is one of the best in the market for the complaints for which it is recommended.

This medicine, coming from such a respectable source, and carefully prepared by an experienced and skilful physician, is received by the public with confidence. Its efficacy has been proved in many obstinate cases of disease, and the best has rapidly attended. It has been extensively used in every part of the country, particularly in the middle and Northern States; and strong testimony from intelligent and highly respectable persons, has been adduced in favour of its merits as a remedy for colds and coughs, affections of the chest, diseased liver, &c. &c.

THE GENUINE AND ORIGINAL

Wistar's Balsam of Wild Cherry,

on account of its great popularity has been extensively counterfeited in Philadelphia, and some thousand bottles of the spurious imitation thrown into the market and extensively circulated.

EXAMINE CLOSE BEFORE PURCHASING !

LOOK WELL TO THE MARKS.

The genuine Balsam is put up in bottles, with the words "Dr. Wistar's Balsam of Wild Cherry, Phil." blown in the glass; each bottle bearing a label on the front, with the signature of

Spoken, Feb. 23, lat. 22, long. 40, barque Havana, hence, for Australia. March 22d, lat. 25 long. 31, schr. Louisa, hence, for Havana.

The brig Caroline Schenk, Ellery, at St. John's, N. F., 27th ult., from Poole, brought in the captain and crew of the barque Mary, of Yarmouth, N. S., which vessel was lost at sea on a voyage from Liverpool, G. B., to Boston. The barque Mary, Amos Scott, master left Liverpool on the 3rd January, laden with a cargo of salt, and bound for the port of Boston. On the 15th inst., in lat 37 30 N. long 68 W. she struck the ice, which knocked in the bow port; and the master and crew had barely time to get out the boat and leave the sinking vessel when she went down in about twenty minutes after she struck, with a tremendnous crash, and the wreck immediately afterwards came up a mass of crushed and shattered fragments. For five days the captain, his wife and the crew, sixteen in number, were exposed to the severity of the weather of the week before last in an open boat, on the boisterous ocean, with a small allowance of bread and water, and with no other covering than they escaped in from the wreck, not having had time to save anything whatever. On the 20th inst., they were fortunately fallen in with by the brig Caroline Schenk, and taken on board that vessel, which, as we have stated, brought them in here on Sunday, and landed them from the narrowe late in the afternoon. One of the crew died while in the boat.

THE 18th Annual General Meeting of this Company was held at Liverpool on the 16th February last, when the following Report of the business of the Company during the past year was submitted :—

"The increase in the Fire Insurance Business must be satisfactory to the Proprietors, as shewing the rapid and safe progress which the Company is making. The receipts for the past year have increased considerably over those of 1852, while the losses have materially diminished.

	1852.	1853.
Receipts,	£98,654	£113,612
Losses,	30,091	42,846
Profits,	£68,563	£70,766

These results show, notwithstanding the very numerous and destructive fires that have occurred both in this country and especially in America, that great caution has been exercised in taking risks, on the part of those on whose judgment the Directors most necessarily in a great measure rely. The reserved surplus fund now amounts to £143,772.
