Office.

Amsterdam, Feb. 6.—British naval forces have bombarded Ostend, accord-ing to a despatch from the frontier The marine yards were severely dam

the vicinity of Gouzeaucourt by advanced parties of the enemy, armed
with machine guns. The driver and
firemen were killed and as the track
was broken by shell fire, the train had
to be stopped and abandoned. Several
of the men became casualities through
enemy machine gun fire.

Offered Services,

The battalion in question offered its
services to the army commander for
cloneer work, and the offer was ac
expeted. Eight platoons under the commanding officer in person, actually
served in the front line area for thirtysix hours."

Heavy Shelling.

During these operations they were
subjected to unusually heavy shelling, has been active south and north of
law in the neighborhood of Havrincourt Wood and during the day
line subjected to unusually heavy shelling, has been active south and north of
lens and in the neighborhood of Mavrincourt Wood and during the day
line subjected to unusually heavy shelling,
and several encampments had to be
abandoned. The work done on these
railways elicited the warm approval or
the army commander.

In the Ypres area two battalions
a new trestle bridge was completed.
Some broad guage work was also done
in the Cambral region and if twas
recessary during these operations to
fill in one shell crater twenty feet
deep by fifty feet in diameter. Heavy
shelling.

Ottawa, Feb. 5.—The pilotage com-dission which has been appointed by the Minister of Marine and Fisheries the Minister of Marine and Fisheries to investigate pilotage conditions in Halifax and other lower province ports, will begin its sittings at Halifax temorrow. It is not known here what line the investigation will take, but in view of the gravity of the Halifax disaster and the findings of the Drysdele commission, it is likely to be most searching.

The department stated today that owing to the suspension of Pilot Mackey and the death of the pilot who was on board the limo, there is now a shortage of pilots in Halifax. The pilot commission has been wired that the

PROMINENT CALAIS **WOMAN IS DEAD**

St. Stephen, Feb. 5.—After an illness that had confined her to her home in Calais during the past three weeks, Mrs. J. Skiffington Murchie entered into rest this forenoon. Mrs. Murchie had been an invalid during many years, during which she had received the devoted care of her husband and family. She was sincerely beloved in the community for her many excellent traits of character and unostentatious charity.

Mrs. Marchie was seventy-one years of age, and is survived by her husband and three sons, Ned and Charles in Calais, and Walter in the Canadian West. Mrs. George S. Murchie, of Calais, is a surviving sister, and D. Kemp Harmon, of the customs service in Milltown, a brother. The funeral service will be held Thursday
