THE PUBLIC SCHOOLS.

School Inspector W. M. McLean has named May 10 as Arbor Day in the public schools in District No. 6. The Inspector says:

"The attention of teachers is directed to the importance of preparing for the observance of Empire Day, which falls on the last teaching day preceding the 24th of May. It is most desirable on Empire Day to hold a public meeting in the assembly hall or school room, at which, in addition to the programme prepared by the teachers and pupils, there may be addresses of a patriotic nature by ratepayers and visitors."

Freckles and Blotches Are Easily Peeled Off

If you are bothered with any cutaneous blemish, it's a poor plan to use paint, powder or anything else to cover it up. Too often this only emphasizes the defect. Besides, it's much easier to remove the disfigurement with ordinary mercolised wax. Applied nightly, the wax will gradually remove freckles, pimples, moth patches, liver spots, sallowness, red blotches or any surface eruption. The affected cuticle is actually absorbed, a little each day, until the clear, soft, youthful and beautiful skin beneath is brought wholly to view. Ask the druggist for one ounce of mercolised wax and use this like you use cold cream. Remove in the morning with soap and water. Many who have tried this simple, harmless treatment report astonishing results.

REMIT by Dominion Express Money Order. If lost or stolen, you get your money back.
