It is now very probable that the sol-North End Memorial Park, will not be of white bronze, nor will it be constructed by the Connecticut firm with whom the park directors have been negotiating. It appears that in order to cast the figure; new moulds were a necessity, and thus would have added, several, bundred more dollars to the original cost of the work. The park directors and North End W. C. T. U. felt they could not meet this additional expense, and after some unsatisfactory correspondence with the Connecticut house, procured certain figures from Messrs. Sleeth, Quinlan & Co., of Carleton, who said they could make a pedestal and figure from native granite. The directors have discussed the matter, and it is very probable that the order will go to Messrs. Sleeth & Quinlan.
