St. John, July 11, 1873.

A contract has been signed between the overnment and Messrs. Cusack & Corr for keeping the Marsh Road in repair. Tenders were asked for and several were and fined \$6. They are both sailors, and sent in, of which this firm's was the lowest, being \$1,750 per year. Hons. E. Willis and W. Kelly, after consideration of the matter, decided that the amount was too much to spend on the road. The former was willing, but the latter would lecided to allow this firm \$1,475 per annum, they for this amount to keep the num, they for this amount to keep the for using insulting language to Mary road in good repair. Messrs. Cusack & Miles. Corr accepted, and a contract was acordingly signed, and work will be com- Extraordinary Aquatics - Walking enced at once. The ability of the conractors to build and repair roads is well nown, but the amount seems miserably small. When it is considered that there vas a grant last year of \$4,000, which was nearly all expended on about seveneigh he of a mil, it will be seen at once that, with this money to expend on six miles, little can be done. The most that can be done is to fill up a few of the worst holes and remove some of the rocks that contract extends to the County line, which is about six miles from town, and in that distance are some of the worst parts of
