

The Seminary is under the direction of the Governors of the University. In its administration and classes, it is practically distinct from the other departments. A special committee of the Senate will co-operate with the Teachers in arranging the Courses of Study and determining the conditions of graduation.

Provision is made for three courses of study:—The Classical, the Literary and the Musical. A diploma bearing the seal of the University will be awarded to students completing one of these courses. The Seminary Building is situated on elevated ground and in view of the varied and attractive natural scenery of Grand Pre.

It is the purpose of the Governors to make the educational advantages of the School equal to the best in the Maritime Provinces.

The expenses are moderate.

For more particular information application may be addressed to the Principal, Wolfville, N. S.
