## CITY COUNCIL MEETING

MATTERS OF ROUTINE DISPOSED OF

STREET LIGHTING, DECORATIONS AND OTHER TOPICS

(From Tuesday's Daily) The regular fortnightly meeting of the city council was held last evening and the session lasted for two hours and a half. The business transacted was almost extended to the council of t tirely of a routine character and o little interest to the general public. Ald. Selous was the only absentee.

The reading of the minutes of the last

council meeting was the first business disposed of and on the minutes being approved, the mayor drew atention to the presence of J. G. Billings and asked that gentleman to address the council, Mr Billings said he had enquired fully into from the sawmill plant on the lake front screen suggested would have the result of stopping the plant and preventing the getting up of steam. Mr. Billings added that no matter how fine a screen was put on, the light ashes would still be forced out. He was under consultation with some experts and would do what he could to abate the nuisance.

Ald. Kirkpatrick—Is there any danger

are dead before they come down.

Ald. Kirkpatrick-I think we should hesitate to stop one of our industries on such slight grounds.
W. J. Astley, one of the complaining

boatmen, said that the matter was of im-portance. It interfered greatly with their business and if the nuisance could be Ald. Irving said that if the boats or the

mill had to be closed down, he thought the mill would remain.

Mr. Billings undertook to reduce the nuisance to the lowest possible minimum. provided it could be done without costing

the council for the Dominion day celebra-tion committee and the agricultural so-ciety, asking that the lighting decorations usually put up for celebrations and at fair time, be bought outright this year and

lights permanently.

The mayor explained that it cost about \$125 to put up the lamps each time they Mr. Irvine said that the total cost of

getting the outfit permanently would be about \$520.

The mayor—The city is asked to furnish the lamps and the power; the celebration committee and the agricultural society will do the rest. Some 600 lamps will be re-

It was the opinion of the council tha the permanent plan should be carried out if possible, and on motion of Ald. Irving. if possible, and on motion of Ald. Trying, seconded by Ald. Rose, it was decided to obtain the necessary power from Bonning to supply the lamps and to string the wires; that the work be done to the satisfaction of the city electrician, and that the secretaries of the celebration committee and the argulature.

The street's payroll for \$214.25, and an bonate streets. The report was referred to the fire, water and light committee.

The fire chief also drew attention the fact that the new collars ordered for

the fire team were entirely too small an can not possibly be used. The collars ar can not possibly be used. The collars held pending further instructions. The official ordering the collars originally, made a mistake in the size. The mayor and chief will arrange for new collars and the disposal of the ones on hand.

Dr. Arthur reported that he had inspect-

The Nelson Iron Works wrote asking the city proposes to supply all local manu-facturers with electric power in place of water power when the city's new power plant is completed and what policy seneraly regarding the supply of power would be adopted by the city in the near future Ald. Rose-Shall we require all parties use electric, in place of water, power whe we are in a position to supply the electric

The mayor-I have told the manager the mayor—I have told the manager of the Iron Works that the city would be unable to supply any further water power under any consideration. The question of supplying electric power will have to stand

The conductors on the tramway asked for an increase of wages to \$3 per day and 40 per cent of the cost of uniforms.a year The men now get 30 cents an hour for an eight hour day. Recently the motormen got an increase such as is now asked by the conductors. It was decided to give the men \$2.75 a day and to pay them the share

of the uniforms asked for.

Regarding the purchase of the water front park, E. Crow Baker wrote saying his company would not consent to deeding the land in question unless the lands were used for park purposes only, and in default that the venders should get the property back at the price now agreed to asking if the deal was off. No coply had been received. The council decided to take no further steps in the matter at present.

Bylaw 167 reculation

Bylaw 167, regulating the use of explosives within the city limits, was finally

Ald. Rose asked what progress had been made in extending the city water service to the Eagles' plot in the cemetery. The mayor said the matter was in the

The matter will come up again at the hands of alderman Selous. next council meeting by which time a report is looked for.

The question of extending the city water service to Maglio's lot on Kootenay street, was referred to the fire, water and light committee to report on at the next meeticil. The council then adjourned to June 25.

"COMPANIES ACT, 1897" TOTICE is hereby given that Sidney tockton Taylor of the City of Nelson, Barrister at Law, has been appointed the attorney of the "Dundee Mining & Milling Company" in the place of Joseph Duhamel, whose appointment has been revoked. Dated at Victoria, B.C., this 4th day of
