Catarrh must be driven out of the system, out of the blood, by an internal remedy, because an internal remedy is the only kind which can be assimilated into the blood.

Stuart's Catarrh Tablets do this better than the old form of treatment, because they contain every safe specific known to modern science in the antiseptic treatment of the

Next-The use of inhalers and spraying apparatuses, besides being ineffective, and disappointing, is expensive, while a complete treatment of Stuart's Catarrh Tablets dan be had at any drug store in the United States and Canada, for 50 cents)
