This is the only book on the subject that has been published in Canada, as up to the present no literature, except a few leaflets, has been prepared. It is believed that the importance of this rapidly growing movement demands something more complete and comprehensive. Hence the publication of this book.

WHAT IS SAID OF IT.

"I have read 'The Adult Bible Class' with much interest and pleasure. It provides very clear answers to a great many questions that are being asked to-day by those who are interested in this work, and it ought to be of considerable value in promoting this department of Sunday School work."—REV. J. C. ROBERTSON, General Secretary of Sunday Schools, Presbyterian Church in Canada.

"'The Adult Bible Class,' by Dr. Crews, is one of the best books yet issued on the subject. I will have great pleasure in recommending it."—MR. FRANK YEIGH, Teacher of Adult Bible Class, Bloor St. Presbyterian Church, Toronto.

"This book touches upon almost, if not quite, every phase of the work and in a very simple, direct and practical manner. I wish it large success in its circulation."—MR. MARION LAWRENCE, General Secretary International S.S. Association.

"This book fills a felt want at the present time. Every page deals practically with the subject, and its valuable suggestions should prove of special importance when the movement is awakening such universal interest."—MR. THOMAS YELLOWLEES, Extension Secretary Ontario S. S. Association.

"This book is an exposition of the best things in the Adult Bible Class department. It contains information gathered from a wide field to assist and inspire those who are, or ought to be, interested in this line of church activity. It is calculated to do for this department what Dr. M. C. Hazard's book did for the Home Department some years ago, namely, increase intelligent workers."—Rev. A. LUCAS, Field Worker, International S.S. Association.
